May 16, 2006

Dear Colorado Springs Corvette Club Membership,

This letter will serve as my resignation from the Colorado Springs Corvette Club effective immediately.

Before some of you think that this resignation is due to the fact that I've moved to Grand Junction, I want you to know that I have joined Top of the Rockies Corvette Association in Longmont. I have found them to be an extremely fun bunch to be around. They compete in most of the events in the region and they remain focused on the fun aspect of the Corvette hobby. Even to the point of measuring themselves against the rest of the region by actually keeping track of points and enjoy earning those points by attending fun events.

I have enjoyed my times with CSCC up until the present Board decided to get involved in more than just CSCC business, namely the personal lives of some of the members. I know that most of the members of the Board are not in agreement with this policy because I have known several of them since I became a member in 1998. However, there apparently wasn't a majority of members that weren't listening to the ramblings of a new member, or they were taken in by the BS. Either way, personal problems or relationships should not be a subject for discussion of the club and certainly shouldn't be a reason to put members of good standing on "probation". If the member had put the club in a bad light, that would be different. The double standard that is now applied (board members can put the club in a bad light with immunity) has made my decision to resign easy.

I hope to not miss the friends that I have made in the club because I hope to continue to see you at events throughout the region.

Save the wave!!!!

Roger A. Miller

TO: Colorado Springs Corvette Club Board of Directors

To reiterate my statement made at the November 2005 club meeting, I have been a member of the Colorado Springs Corvette Club for eight years. During that time I have been an ambassador for our club and represented the club with honesty, integrity, friendship and ethics. I've promoted our club and brought in new members, chaired and/or worked at many of our club events, and developed great friendships with, and mutual respect for, my fellow competitors in the region. I have never done anything to bring discredit to our club.

When I was confronted with a crisis, instead of supporting me as a long-term member in good standing, the CSCC board chose to punish me by placing me on probation on April 12. Apparently the board disapproves of anyone expressing their concerns to the Rocky Mountain Regional Executive.

The board has shown a disturbing lack of ethics, integrity, and professionalism in its actions. It is unfortunate that the behavior of the board reflects on the club as a whole. Since the board does not publish minutes of its meetings, most members are unaware of some of the issues the board discusses and what actions it takes.

I cannot in good conscience support or endorse the current CSCC board and hereby terminate my membership. The many friendships I enjoy with other members will endure well beyond this club, and I'm grateful to all who have expressed their support and concern to me.

Sean,

Dale and I resign from the Colorado Springs Corvette Club. Please have Walt remove us from the members listing on the website.

Thank you,

Tammy & Dale Billingsley

The May meeting of the CSCC was called to order at approximately 7:00 p.m. by President **Sean Pazdzior**.

Amendments to the April Minutes: **Pete Olejnik** made a correction to the minutes noting that the V.F.W. was NOT losing it's building. Although they are having financial difficulty right now, they are not losing their building at this time.

Other corrections that need to be noted are: It was stated in last months newsletter that the club had not yet discussed or voted on the resignation of Tim Greenshields. President, **Sean Pazdzior**, pointed out that as soon as he receives a resignation from a member. It does not need to be discussed any further and the member is out of the club at that point. Also, **Hal Tumbleson's** name was left out for the "Board Members Present" in last months newsletter. I apologize for for these oversights.

Motion to approve minutes as written, with corrections, passed.

Treasurers Report: **Hal Tumbleson** reported that there was \$2,225.56 in the club treasury at this time.

Greeting: 2nd Vice President, **Bob Capraro** announced and welcomed all of the guests. Once again, we would like to extend a warm welcome to all of our guests and welcome **Jim & Vickie Fockler**, who were voted in tonight. We know that they will be participating in many events in the future. We would also like to remind everyone that you don't have to be a member of the club to participate in most of the club events.

Merchandise: Merchandise Chairman, **Larry Lukenbill** was not at the meeting tonight. President, **Sean Pazdzior** reminded everyone that if you have ordered anything from the website, to please check with Larry.

Website: **Walt** announced that there were 22,743 hits on the website last month.

Old Business

Cone Zone Autocross: Chairman, **Don Adametz** reported that the club made \$3158.31 profit, after expenses. There were 37 people from our club, which is the most that we can remember having from our club. There were 42 novices. Don reminded anyone that had ordered a trophy and did not receive one, that he still had a few that were not claimed. The weather was really beautiful until Sunday afternoon, when it became cold, cloudy and windy. There were several people who came down from Casper WY. and had to leave before their last run. There were A LOT of DNF's, so Walt decided that the course was to long and needed some adjustments for the next autocross. We would like to thank the following people for helping out and making this one of the most successful autocrosses ever:

Ashley & Shawn Mess, Joe Ewing, Pete Olejnik, Hal & Cindy Tumbleson, Larry & Sheryl Schubert, Johnny Harris, Craig Wisniewski, Larry Morrison, Scott & Anne Lewis, Walt & Karen Jenkins, Barb Reynolds, Roger Miller, Mike & Winnie Bochnak and Rik and Florece Noring. If I have left anyone out, please know that the effort of everyone was greatly appreciated!

Wasson High School Car Show: Chairman, **Ray Pazdzior**, gave a report on the car show. He stated that about 10 cars from the club showed up for the show. He said that the weather was kind of "ify" because **Walt** was there. There was a total of about 87 cars and that it was a great show, especially for Wasson's first car show. After the show, the group went to Old Chicago to warm up. All in all, they had a great time.

Fun in the Sun Car Show: **Rik Noring** gave an update on the car show is to be held on Saturday, May 20th. Rik passed around a sign-up sheet for volunteers to help work the event. He said that they still needed the most volunteers for judging. The guidelines and rules for the different classes of cars are posted on the website. The Car Show will be held at the Corvette Center at Caetus Creek and there will be lots of shade trees for lunch,

Golden Autocross: Ashley Mess updated the club on the autocross, which will be held at the State Troopers training facility in Golden CO. on Saturday, June 24th. The Host Hotel will be The Days Inn, just about a half a mile from the track.. The rates are \$73.00 per night and Ashley has the phone number posted on the website for Day's Inn if you would like to make a reservation. After the autocross, we will be going to **On the Border** for dinner and drinks, if you are interested. She passed around a sign-up sheet for anyone interested in helping out with the autocross. This will be a road course and the online registration should be up on the website. **Rex Tire** will be buying lunch for everyone again. We would like to thank them for their donations to the club. Just a reminder. **There is gravel** on the road leading up to the track, but if you drive slow, you won't have any problems.
VFW Car Show: Pete Olejnik reported that the **Vettes For Vettes** VFW car show will be held on Saturday, July 8th. This is a car show to help raise mony for Post 51 of the **Veterans of Foreign War**. Parking will begin at 8:00 a.m. The show will begin at 10:00 a.m. and end at 3:00 p.m. The Veterans will chose the top three cars. The car show is also on the same day as the Pikes Peak or Bust Rodeo, so Pete thought that we could hang some flyers up on telephone poles and such throughout the parade route. The entry fee is \$20.00 to show your car. Also, Pete had an idea of having Pres. George Bush making a video for the Veterans that we could play at the show. With the help of **Joe Vlasik**, they got the White House on the phone. Through some communications with the White House, Pete was able to send the President a letter with the request for a video, so it does seem like he can get that to happen. He also asked the President that if he were in the area, to please stop by for the car show. This seems less likely to happen, but still, good try Pete and thank you so

Much for all of your efforts! He also asked if there would be any interest in having a live band to perform for some Ball Room dancing at the event. There was no interest from club members at the time. He also stated that **Joe Joseph** would be the Spokesperson for the event. Joe is retired military. Pete asked **Craig Wisniewski** if he would be the back-up for **Joe**. **Craig** was honored and accepted. **Pete** also stated that former member, **Elaine Neleski** would be helping him with all of the press releases. Pete also stated that every dollar that the show makes will go to the VFW.

New Business

NCCC News and Updates: Governor, **Walt Jenkins** announced that he and **Hal Tumbleson** had gone down to the Doubletree Hotel and look around. They are hoping that we can get this hotel as the host hotel for the 2009 National Convention. Walt reported that there would be between 250-275 rooms that would be allocated to us for the price of \$119.00 per night. They are still negotiating the price. He said that we would probably have to have some overflow hotels, which means that we would probably be taking over most of the hotels around the World Arena. **Hal** stated that the Doubletree will also allow us to display cars inside of the hotel area.

Donkey Derby Days Parade: **Patty Strauch** announced that she got a request for CSCC to participate in the parade in Cripple Creek. She stated that it will be held on Saturday, June 24th, which falls on the same day as the Golden Autocross. If you are not planning on going to the autocross, than this may be something that you would be interested in participating in. Line up begins at 10:00 a.m. She passed around a sign-up sheet and said that she would be contacting everyone who signs up. If you are still interested in signing up, please contact Patty.

Pikes Peak or Bust Parade: **Ray Pazdzior** mentioned that the club has been invited back to participate in the parade again this

CONTACT PERSON FOR THE SHOW IS PETE OLEJNIK(719-487-3789).

Year. He reminded everyone that it is on the same day as the **VFW Car Show** and that he and **Pete** discussed that if you would like to be in the parade and also the car show, you could drive over to the show immediately after the parade is over. Someone suggested that the last Corvette have a sign on the back of it that say's "Follow us to the Vettes for Vettes Car Show". **Ray** will be passing around a sign-up sheet soon. The parade begins at 10:00 a.m.

Sean announced that we need a chairperson to represent our club at the annual **Vette's on the Rockies** show this year. They will just need to plan and set up dining places that the club can meet for dinner and such in the evenings. If you are interested, please let **Sean** know.

Trash Pick-up: Mike Dittman passed around a sign-up sheet for anyone interested in helping out with the trash pick-up on Saturday, June 3rd. He said that it looked like we had plenty of people signed up. **Diana** announced that **Joe Horvath** donated 10 pair of leather gloves that will be extremely helpful for the trash pick-up. Thank you so much **Joe!**

Pagosa Springs Classics: Sean announced that we don't need a chairperson for the Pagosa Springs car show. **Joe Vlasek** and **Bob Jennaro** have volunteered to chair the event this year.

Thank you guys so much for stepping up!!!

New Equipment for the club: President Sean Pazdzior announced that there were some requests from people to purchase some needed equipment. **Jane Creighbaum** asked the club if we could purchase some "grabbers" for the trash pick-up so that people wouldn't have to stoop down for long periods of time. Motion to give her \$100.00 to purchase the equipment carried. **Walt Jenkins** made a request to purchase 150-200 new cones for the autocrosses. Motion carried.

Code of Conduct: Sean mentioned that we need to add a Code of Conduct to our By-Laws that clarify more in depth how members should conduct themselves when it comes to the club and anything club related. We put a committee together consisting

Of three Board Members and three people from the General Membership. The Board Members include Diana Dittman, Denise Phillips and Karen Jenkins. The General Members that have volunteered are Ashley Mess, Dick Strauch and Mike Dittman. The committee will discuss and draw up a code of conduct that will then be voted on by the membership and placed in the By-Laws for the club and posted in the Newsletter.

Resignations: There were three resignations this past month. One oral and three written. The members who resigned were **Tim Whalen, Dale** and **Tammy Billingsley** and **Barb Reynolds**. **Sean** read the letters of resignation from the Billingsley's and Barb Reynolds. They are posted in this newsletter, as are all letters of resignations. After Sean read the letters of resignation, he wanted to discuss Barb's letter and wanted to discuss it further. He stated that Barb was entitled to write the letter but went on to say that Barb brought a personal matter between her and Tim Greenshields, into the club. He said that the club is intended to promote the Corvette hobby and have fun doing so. He said that as far as the Board, running over to Barb to help her in her personal issue is not right and not our job. Sean said that it is NOT ethical for us to take part on either side and we need to be impartial! He stated that if you are having a personal problem, then that is what friends are for but if anyone comes to him, as President, with a personal problem, then he can't/won't take sides to help them get another member out of the club. As far as putting Barb on probation, yes, the board did put her on probation for two reasons: 1). For going against the will of the club. Sean stated that in November of 2005, Barb had her say about why she did not want Mr. Greenshields in the club. Everyone sat and listened to her reasons and the majority of the club still voted Tim in. 2). For going over the authority of the Board of CSCC by going to Cindy Urenda, the Regional Executive, and told her that the Board was not working for her and would not help her and she told Cindy Urenda that she needed to do something. Cindy called Sean and told him that she would come down to our Board and

Fun in the Sun Car Show

Start “throwing our members out” for unsportsman like conduct. Sean stated that Cindy has no business telling us how to run our club or what to do in our club. He said that she later e-mailed him and told him what we should or should not put in our newsletter. Sean told the club that it was not the way that we do things and is not the way that our folks deserve to be treated. He commented that he felt that Barb went over our heads and that she never once talked to him about people on the Board being biased. Instead Barb went to Cindy and expected Cindy to come down and tell us how to run our club. Sean also mentioned that the other thing that “set him off” was that Cindy told him that if we decided that we wanted to do the Convention in 2009, then our club needed to come together and start giving each other “hugs and kisses” (in so many words). He said that he did NOT appreciate that. He said that Cindy needs to butt out and has been told that she needs to butt out. Sean stated that he and Walt took the letter of probation to Barb at her house. Charlie and Joy Boland were both there and he said that at the end of the discussion, he had explained to Barb why we decided to put her on probation and that he told her that he was NOT her friend and that he was the President of the club and had an invested interest in the matter and told her that all she had to do was to come to him. Sean stated that Barb had told him that she didn’t think that she could come to him but that he was right and that she should not have gone to Cindy Urenda about the matter. He said that he stands behind the Boards action to place Barb on probation and that it was her choice to quit. He mentioned that as far as her comments in her letter of resignation about the Boards complete lack of ethics and professionalism, he considers that disrespectful. He announced that if any member is “unhappy” with the job that any Board Member is doing, then vote them out at the next meeting. He mentioned that he did not notice anybody else raising their hand to run against a Board Member, and said that it was unfair to criticize them. He stated that our Board meetings are not secretive and that it states in the newsletter that

Any member who wishes to attend the Board meeting, is welcome to attend. This is why we post the location of the Board meeting every month. Most of the time, if you wish to attend, you will be hearing the same thing that you hear at the general meetings. The Board just goes through the agenda. Sean welcomed anyone to come and join us at any time. Sean announced that if anyone has any questions regarding Barb's resignation or what went on between Barb and Tim, to please ask either of them and not to ask him. He apologized to the club for having to listen to all of this. He stated that it has divided the club and that it is not right because people don't come to the meetings to listen to the political garbage that has been going on.. Members come to enjoy Corvette hobbies, have a good time and visit with people that you don't see all of the time. Sean said that he hopes that this would be the last if this issue. He also stated that members have come to him and said that they have friends who are interested in coming to the meetings or joining the club, but they are embarrassed to bring people to the meetings due to the personal battles. He said that this was wrong and we need to get away from that and get back to having fun instead of being involved in people's personal battles. A comment was raised from one of the members stating that Barb had written an e-mail to the membership regarding Tim Greenshields resignation and that Barb had suggested that the club not accept his resignation. Sean stated that it was to late. The minute that Sean got the resignation, Tim was out of the club. He said that when a member turns in a letter of resignation, then they are out of the club. He/she may come back at any time he/she chooses to and go through the process but Sean announced that he would "stand against" both Tim and Barb if they decided to re-join the club. He stated that whether he was President or out in the membership, he would be against them coming back! He said that they have caused to much turmoil in the club and caused too many people to be upset! **Dick Strauch** commended **Sean** and the **Board** for the way that they handled the situation by saying that it was handled very, very well. Sean thanked Dick and

Wasson High School Car Show

announced that the letters of resignation would be posted in this month's newsletter, just as they all are and that we would NOT change protocol just because a letter was negative towards the club.

Progressive Dinner: Alta Olejnik announced that she was planning on having another Progressive Dinner, like the one that we had a few years ago. She is planning it for Saturday night, July 22nd, starting at 6:00 p.m. We will meet at Mark Twain Elementary School at 3402 East San Miguel (The same place that we meet to deliver the Christmas baskets). We will receive a clue to get to a certain restaurant where you may have something to do at that restaurant and another club member will be there to give us another clue to the next restaurant. There will be four restaurants in all. There will be a "panic" envelope in case you get lost but she assures us that it should be fairly easy. There is no cost for the event and you have the option whether or not you would like to eat at any or all of the restaurant's. She assured **Mike**

Bochnak that there would be food available at the last restaurant. **Alta** will pass around a sign-up sheet at the July meeting.

Christmas Party: Ashley Mess updated the club on this year's Christmas party. She has narrowed it down to three locations. The first choice would be at the Doubletree Hotel for dinner and dancing, like we did last year. The second choice was the Flying W Ranch for dinner and a stage show. She stated that the late show was already booked, so we would have to attend the early show, which begins at 6:00 p.m. and we would have to leave immediately following the show. The last choice was at the Iron Springs Chateau for dinner and a melodrama. It would be a two hour show and we would have a private room for just our group. They have a family style/serve yourself meal. Dinner would be served at 6:00 p.m. and the show starts at 8:00 p.m. This would give us time in between to do door prizes and socialize. The most expensive would be the Doubletree Hotel and the least expensive was the Iron Springs Chateau at \$26.00- \$27.00 per plate. The club voted by a show of hands on the Iron Springs Chateau.

Monument 4th of July Parade: Sean asked if there were any volunteers who wanted to chair the parade. **Karen Jenkins** volunteered and asked **Walt** to help in case anything came up while she was on vacation. **Hal Tumbleson** also volunteered his and **Cindy's** services, if needed (just in case he didn't let you know Cindy). One again, **Mike & Winnie Bochnak** have volunteered to have the Bar-B-Que at their house after the parade. It will be a pot-luck and I'm sure that they will be passing around a sign-up sheet for those interested. You do not have to be in the parade to come to the Bar-B-Que. If you have never attended this event before, make sure that you come prepared to EAT! We would like to give **Mike & Winnie** a HUGE "thank you" for hosting this event again this year! You always do such a wonderful job, usually with the help of **Dick & Patty Strauch!**

Jimmy Zajicek announced that the **Tri-Lakes Cruisers** would be having there 4th annual car show on June 11th, in Historic Downtown Monument for any one interested. He placed flyers on the back table. If you have any questions, please contact Jimmy.

Nick Renfro mentioned the **Stockers Cruise Night** and asked if anyone knew what the new date had been changed to. **Bob Capraro** stated that they had moved the car show from Manitou Springs to the Garden of the Gods Visitors Center and would be held every second Friday of the month beginning on June 9th and go through September. The show is from 4:00 p.m. to 9:00 p.m. After the shows, all of the cars take a cruise. If you are interested in seeing what it's all about, please contact **Nick** or **Bob**.

Rik Noring announced that the **SCCC** (Southern Colorado Corvette Club) is having their annual car show at Spradley's Chevrolet. He said that it is an evening show this year. Rik will have flyers at the Fun in the Sun car show. He stated that some of the members from the **SCCC** will be at our show, so it would be nice if we would show them some support at their show.

Corvette summer is upon us and is stacked full of great events for everyone.

This year has started off with some awesome events. A big THANK YOU to everyone who put on an event, worked at an event, and participated in event. We have plenty more so lets get to it.

First up for the month of June is the Golden Autocross on the 24th. Shawn & Ashley Mess have been working very hard on getting this event together. This event is being held on the State Patrol's training facility. I hear tell this will be one fast and exciting course. So register online, make hotel reservations, and prepare for a lot of fun. Please remember they also will need lots of workers so make sure to sign up to help.

Also on the 24th of June for those of you who do not autocross Patty Strauch is chairing the Donkey Derby Days Parade in Cripple Creek. So see Patty to sign up and maybe stay after and break the bank.

Coming up on the 8th of July we will be having the Vettes for Vets Car Show. This will be one great event not only do you get to help a local VFW Hall, but you also get to show all Vets how much we all appreciate them and all they do. Pete Olejnik is really going all out for this event. So lets all come together as a club and give Pete a great turn out!!!

Also on the 8th of July we will be attending the Pikes Peak or Bust Parade. Ray Pazdzior is once again chairing this event. Ray and Pete have made arrangements so that those of you attending the Parade can head over to the show soon as your done. So please mark the date of **JULY 8TH** on your calendar.

Thanks for stopping by,

Sean Pazdzior
President, CSCC
