Meeting Information

*This month's Board Meeting will be on

3451 Bear Canyon
Sedalia, Colorado 80135
(303)66-6037

*This month's **board meeting** is open to any member wishing to attend. An event chairperson should plan to attend the board meeting prior to his or her scheduled event.*

*The **CSCC general meeting** this month will be held at the Inn at Garden Plaza located at 2520 International Circle on **Thursday, February 7th** at 7:00 p.m. Off of Pikes Peak go south on Parkside (by Colorado Music Hall) then go east onto International Circle. Park on the south side in unmarked spaces or on the street. Come through the main entrance and take the elevator down to 1 and go to the Recreation room just outside of the elevators. Immediately following the meeting, we will enjoy dinner and refreshments at Luigi's at 927 S. Tejon St. All guests are welcome.*

Regional Banquet

Cindy reported that she and Cheryl Randel have been working on it. It will be at the Embassy Suites again, since we can't beat the deal they give us. People will pay full price for their meals, so there will be very little cost to the Region. The date is March 8th.

New Business:

2008 Racing Numbers

Numbers for the 2008 season will become available at midnight on January 1st. 1-15 are reserved for the 2007 champions. All other numbers must be requested annually.

2008 Calendar

All clubs provided dates for planned events in 2008. The only conflict was between DCA and DtRC on Memorial Day weekend. The two clubs are considering combining their events and making this the RMR Roundup event for 2008, since Casper is no longer a Regional and the RMR needs income.

Convention Attendance

The Governors voted unanimously to award Region points for attendance at NCCC Conventions. 15 points for attendance plus 5 points for each event entered. We need to show up en masse at Tulsa to promote our convention.

Competition Director's Report:

The new rulebook was approved for one year. It is only available electronically. Every renewing member should get a CD and it will be on the website in PDF format. John will see about getting one printed for each Governor and Regional Officer.

The RCDs now have someone on the NCCC finance committee.

Region sanction numbers will stay the same format as they were in 2007 to help avoid confusion with national sanction numbers. Make sure that flyers and results have the correct sanction number. Flyers for region sanctioned events need to state whether NCCC rules and guidelines will be used. If not, then the guidelines that will be used must be listed so entrants know what to expect.

Waivers are to be taken very seriously and protected much the same as you would the cash box. The Governor should have waivers and the K & K insurance packet at all events. The event chair should have all the insurance paperwork if the Governor won't be there.

It is the responsibility of the event chair and the club Governor to ensure that results and waivers are to the RCD within 15 days after an event. They must also check to be sure that everyone receiving points signed the waiver. Results should be e-mailed using the form appropriate for the type of sanction. Waivers must be mailed. The host club and its members can lose their points if they are out of compliance.

When you have a morning autocross and an afternoon autocross, if someone is only coming to the afternoon event, you need to make sure they sign the waivers and also give them a drivers' meeting before they are allowed to run. A one-on-one is acceptable. It is not necessary to give the drivers from the morning session a second drivers meeting if there are no significant changes from the morning event. You do not have to allow late arrivals to walk the track.

Larry thanked everyone for the prompt paperwork he received this year.

The points are calculated and the top 15 men and ladies are already posted on the Region Website. Ties were broken only for the purpose of assigning car numbers, by the number of events attended. 201 men and 102 ladies earned points—almost 50% of our members.

Regional Executive's Report:

Cindy attended the November NCCC Governors' meeting as proxy RE. The big news, of course, is that we won the 2009 Convention bid by a 2 to 1 margin. Also, Cindy was elected to serve as the NCCC Secretary.

Rocky Mountain Region Governors' Meeting 2008 Calendar Planning Meeting December 2, 2007

John called the meeting to order at 10:00 a.m.

Minutes from the Sept 3rd Governors' meeting were approved. No corrections.

Treasurer's report was read by Nancy K. and approved. Regional patch sales netted about \$1700, helping out the treasury a lot. \$1,000 is budgeted for the 2007 awards. John received a \$500 donation from an anonymous donor that will be used for the awards banquet. With dues coming in, we should be able to stay in the black this year.

Membership Director's Report:

We ended the year with 692 members in our Region.

Ellouise thanked the Governors for submitting their clubs' dues by the Nov. 19 deadline.

We lost the Hellgate club in Missoula this year and have not heard from Treasure State in Helena.

Pins and planners for renewing members were distributed to the Governors present at the meeting. Because of new post office regulations about lumpy envelopes, NCCC will no longer mail them. They will be sent to the Governors as new members join.

Greetings: 2nd Vice President, **Alta Olejnik**, introduced and welcomed all of the guests this month. We had one returning past member with two meetings, and one brand new member.

Old Business

Merchandise: You may order CSCC merchandise on our website. You may also contact Ashley Mess to order.

Manitou Christmas Parade: Patty Strauch - Seven cars participated in this year's Manitou Christmas Parade. Congratulations to the James & Kelly Zajicek, Bud & Anne Silvis, Melvin Swindale, Randell Reed, Rick Hudnall, Patty & Dick Strauch, and Zach Miller

Missing Yellow Vote Box: No news on the missing Yellow Box. We are beginning to suspect foul play. If you have any information regarding this item please report it to the CSCC board.

Snowmobiling Weekend: Ashley Mess - **EVENT IS POSTPONED TILL MARCH SOME DETAILS ARE LIKELY TO CHANGE.** Signup if you are interested. Based on majority preference either the cabins or hotel will be chosen. Cabins have fireplaces and kitchens. Hotel rates are \$110 for king, and \$120 for double occupancy. 2nd night is half price. Single sleds rent for \$185 for the day, 2hr and 4hr rates are also available. Double sleds are \$205 per day. Racing sleds are also available, but book early they go fast. We are a Corvette club, who would want a slow snowmobile anyway. So they will probably go even faster. Arrive Friday night and snowmobile on Saturday.

Christmas Baskets: Hal Tumbleson - Many thanks to all of you who participated in the annual Christmas Basket giveaway. It was well organized and 107 baskets were given away. Special thanks to Melvin for the hotwheels for all the children, WalMart filled the order for pickup and gave us a 10% discount. Club members, in addition to all the food, donated an additional \$1260 in cash. Wreckmasters donated \$200 and Beem's auto paint and body donated \$200. The Corvette Center donated Christmas Cards. CSCC funded the remaining \$681.35. This was a record year. You made a difference to many families. That's the best Christmas present.

Dub Bridge Party: Winnie Bochnak. Please see flyer in newsletter. It is \$3.50 per person and drinks are provided. Please bring a snack to share.

NCCC Updates: Hal Tumbleson - Walt was vacationing in India and was unable to attend the January meeting. Nothing new to report. The Rocky Mountain Region banquet is March 8th. The governors meeting is March 9th. Car numbers for 2008 can be reserved. Details at www.rmrnccc.org.

2008 Calendar: Updated from website in newsletter.

2009 Convention Update: Walt Jenkins - Nothing to report

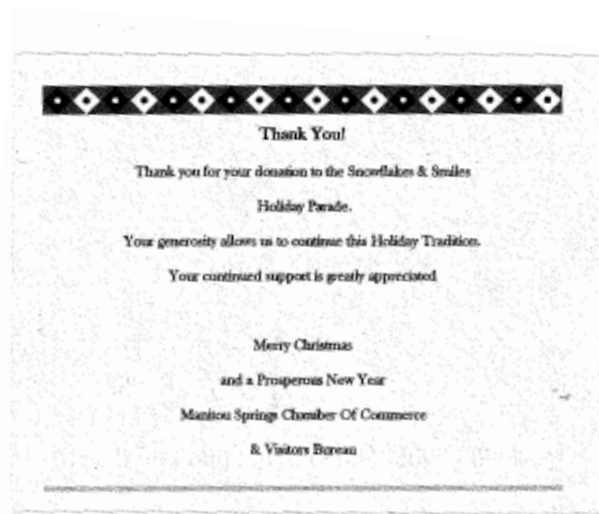

Club Charity: Larry Lukenbill - The bylaws specify we select a new charity for the year during the January meeting. Since the club didn't have notice of this during the prior month presentations were entertained during January and February meetings for new charity. Vote will during February for our 2008 charity. Please bring your suggestions to the February meeting. During the January meeting the following charities were presented:

- Make a wish
- Camp Wapiapi (incorrectly spelled)
- Downtown trolley museum
- Praying hands ranch (**see page 23 for more information**)
- America's family

Pagosa Springs Car Show: Pete Olejnik - A proposal was made to move the event to August 15-17. There are pros and cons to this idea. No balloon festival. Cheaper rooms. Better weather for our snow adverse automobiles. Please email Pete with your ideas. Date will be decided during February meeting.

New Web Master: There was no coup-de-tat. Walt is extremely busy with the 2009 convention. Since we recently, last month, voted in a professional web developer into our club, it was a great opportunity to get his help and free up the 2009 convention lead's time. Please welcome Adam Self, our new webmaster.

VETTES ON THE ROCKIES

July 31st - August 3rd, 2008
Beaver Run Resort - Host Hotel
Breckenridge, Colorado

35th Anniversary!

Looking Glass Corvette Association and Purifoy Chevrolet welcome you to Summit County, Colorado for our 35th Anniversary Vettes on the Rockies.

The weekend will be filled with new activities, entertainment, parties, food, surprises, and the opportunity to see your old friends and meet new Corvetters from around the country.

Our host hotel is, once again, the premier Beaver Run Resort and Conference Center - Exit 203 on WB I-70, nine miles South on Hwy 9 to Breckenridge. When you contact Beaver Run to make your hotel reservations, please remember to tell them that you are attending Vettes on the Rockies. Otherwise, they will tell you that the hotel is full!

The Autocross is returning to our event and we're sure you will enjoy the new venue for this activity. There will be a few new tweaks to our entire event that we hope you will appreciate.

As this is our 35th Anniversary, we are anticipating additional involvement from General Motors and several other entities from around the country. We look forward to the participation of our 'old friends' and to greeting lots of new people, as well.

We hope to have our registration forms available by early March and we are encouraging early online registration (www.lgacorvette.org). We foresee Main Street in Frisco filling up quickly. We will not have space for anyone to come up on Sunday to show their car UNLESS they are pre-registered for 'Sunday Only'. To ensure that you will have a place on Main Street, Please Pre-Register for the one day 'Sunday only' Street Show. We will close registration at 550 cars for the Show 'n Shine.

For further information, please contact Tom Robben (303-232-1886) or Joe Parker (303/435-5876). The registration deadline is June 15th, 2008. We recommend that you send in your registration well before then. Registration will be closed when we reach 700 people.

Merchandise will be sold at our event in the ballroom on the first floor of the Beaver Run Conference Center and on Main Street on Sunday. There will be no pre-purchase of our merchandise.

We look forward to seeing you in our majestic backyard. Have a Happy and Healthy New Year.

Information about the Praying Hands Ranch. One charity that CSCC is considering for 2008.

I have been associated with Praying Hands Ranch for nine years and do not know of any charity that works harder or does more meaningful work for the needs of handicapped children and adults as well as troubled youth, in a therapeutic ranch environment.

Praying hands does not receive federal grants, but operates on foundation money, money from clubs and private donations.

Only 7% of the money received is spent on expenses and 93% is used for programs and facilities. Volunteers are the back bone of all PHR programs.

Please support this charity.

Greetings

Some of the better things we have done as a club, in my opinion, have only happened once. We seem to be in a rut and I think we need *change* and *choices*. All of us joined the club for different reasons, but I feel that the bottom line is the people and the cars. So if we are to incorporate the above two "C's" we need to do it with people and cars in mind. Someone mentioned to me about a "garage tour" that they had done with another car club that they belonged to. Another member mentioned that they wanted to do a Cruise-In to a local drive-in

and have dinner and an impromptu car show for the public.

I think these are great ideas and I encouraged these members to set it up and make it happen, but I was informed that it conflicted with other events that were already planned. In my mind that is not a valid excuse, because not all of us like to do some of these events that are already planned and might enjoy doing something entirely different, such as the aforementioned ideas. We live in a beautiful state and traveling to various locations for a weekend is another great adventure that we can do together. John Gue put together a great weekend trip up to Estes Park a couple of years ago, and I think that all who went had a great time. I asked if he would do the same this year and he told me that to do so would conflict with already planned events and take workers and participants away from them. Again, an invalid excuse because we do nothing that gets 100% participation, and if we are able to put something together that gets more people out with each other, in their cars, we are meeting our goal as a car club, as I see it.

Not all of us care about *points* or if the event is *sanctioned* or not, we just want to have an enjoyable time with people who have a like interest. By implementing some of these thoughts and others you might have, we can get more of our membership out there enjoying their beautiful cars and each other's company. The worst that could happen is that you would have to choose between two things that you would like to do at the same time, but life is about choices isn't it.

If any of these ideas tickle your fancy, or you have others that you would like to see implemented, please let me know. If you are willing to put something together that is all about the people and the cars, and is totally different, don't be afraid because, nothing ventured, nothing gained.
