Tragic news from Kip and Elaine Naleski

Dear Friends,

I hate to send this this way, but I really no of no better way to do it. In August, I asked many of you to keep Michael, my sister, Beverly's son and who lived with us in Austin while he went to Anderson High School, in your prayers while he was in Iraq. Well, the worst of our fears has happened and he was killed by a roadside bomb on Thursday, January 31. We don't know a lot of details at this time. His body will be shipped to Ft. Hood for burial in the Veteran's cemetery near Youngsport, where my parents lived. Beverly and her husband live there now. This was his wish if anything happened to hi m.

Michael's wife, June and his two children, Sammy (10) and Summer (4) are flying into Killeen Tuesday or Wednesday. I want to thank all of you who did keep him in your prayers. We know we are not to question why such tragedies happen, but at this time that is easy to say and hard to do.

All of our family will be traveling to Texas as soon as we have more details. God bless you all and keep you safe.

Elaine

From: Kip and Elaine Naleski [mailto:kenaleski1@mindspring.com]

Thank you all for your thoughts, prayers and words of encouragement. Kip and I are planning to arrive in Austin late Saturday evening. We will be staying at Lakeway for about a week. Visitation will be at the funeral home in Killeen (I think it is Crawford-Bowers) on Sunday evening, with the services on Monday afternoon. For those of you who have asked, I will get you the times and locations as soon as Beverly sets everything tomorrow. She was waiting for June and the kids to get there from Korea.

I do know that there will be an obituary in the Killeen and Austin papers. In lieu of flowers, a fund has been set up here in Colorado Springs and one will be set up in Killeen. The one here is:

Norman Family Children's Fund C/O American National Bank
P. O. Box 9250
Colorado Spring, CO 80932
Attn: Kathy Norman

I also know that there are many kind messages and information at patriotguard.org and legacy.com/soldiers. There's even a picture of Michael in uniform and smiling on legacy.

My love and best wishes to you all, Elaine

The January meeting of the CSCC was called to order at approximately 7:00 p.m. by President **Larry Lukenbill**.

Amendments to the December minutes:

- Spelled Lukenbill incorrectly (twice)
-

Motion to approve the January minutes: Motion approved.

Ron Garcia	2/4	We hope that you all had a very wonderful
Jim Nile	2/12	and happy birthday! Please let me know if I
Larry Small	2/17	have left your birthday out or if you are hav-
Fred Davison	2/25	ing a special anniversary or event coming up.

Treasurer's Report: Treasurer, report was read and approved. The next major expense will be the new trailer due early 2008.

Greetings: 2nd Vice President, **Alta Olejnik**, introduced and welcomed all of the guests this month. We had one returning member for his third meeting and two new guests.

Old Business

Merchandise: You may order CSCC merchandise on our website. The CSCC patches have arrived. If you are interested in purchasing some they will be available at the March meeting. You may also contact Ashley Mess to order.

St. Patrick's Parade: Patty Strauch - The parade will take place on March 15th at noon. If you are interested in driving in the parade it is limited to 10 cars. Additional information will be available via email.

Missing Yellow Vote Box: No news on the missing Yellow Box. Foul play is almost a certainty! The CSCC board plans will review all reclamation options.

Dub Bridge Party: Winnie Bochnak. 12 couples attended. See newsletter for results and pictures.

Snowmobiling Weekend: Ashley Mess - The is cancelled for the original weekend and planning is underway to possibly reschedule this for the second weekend in March. Watch for details.

Club Charity: Larry Lukenbill - A careful review of the club standing rules revealed the charity we select must be Local. Due to this restriction several charities proposed last month no longer qualified. Two motions were proposed to change the standing rule. First to eliminate the word local, it failed to receive a majority vote from the quorum. Second to change local to Colorado, it too failed to receive a majority from the quorum and it failed.

The following Charities were voted on:

Charity Name	Vote Count
Operation School Bell	3
America's Family	2
Mission Medical	25
Trolley Museum	21

Good News/ Bad News suitcase: The good news/bad news suitcase was filled with tons of cool stuff. This month the bidding was more wild than normal. I suspect the bidding was spurred by the recent Barrett Jackson auction. One million for the first C6 ZR1 Corvette! The winner this month is Scott Paine.

Door Prizes - Thanks to Daniels Cheveyland for the great gift certificates.

Corvette Upgrades and media stars:

- The Nordby's have a new hardtop for their Corvette.
- Hal Tumbleson's business "The Springs Funeral Services" was in the news for providing free services and at cost product to about 50 of the families taken advantage of by Nolan Funeral Home.

(H) It is recommended that NCCC classifications and requirements be followed. Deviations from NCCC requirements should be stated on flyer or notification.

High Speed events must be National Sanctioned. **NO** region sanctions allowed for these events.

SUGGESTED AUTOCROSS CLASS RULES

(1) Cars will put into classes by years. There will be 3 categories as follows:

Factory Class (no changes or modifications, tires must have a minimum tread depth of 2/32" in all major grooves, a treadwear rating of 160, tires and wheels must be stock size)

Street Class (modifications allowed to air intake, intake manifold and related parts, exhaust, suspension, computer, minor body changes, DOT approved race tires, any size tire and wheel combination that fit without touching frame or body at anytime)

Modified Class (cars with non-DOT tires (race slicks), superchargers, or turbocharged, **cam, head, or other internal engine modifications** or if the car is severely modified) **Modified class is broke down by years, MOD A class 53 to 82 and MOD B class 84 to present year.** Any Corvette that does not have a full interior must meet NCCC rulebook safety tech for Group 3 cars. This will include roll bar as per NCCC rulebook, 5-point harness in good condition, and mounted fire extinguisher in good operating condition.

B2K Callaway corvettes allowed in Factory Stock and Street Stock if they meet rules for those classes.

(2) All cars must be teched for safe operating condition.

(3) All helmets must meet NCCC rulebook guidelines (Snell approved no older than 10 years from date of manufacture, if helmet does not have a date than must be SA2000 or M2000 and newer)

(4) It is recommended that all cars have a mounted fire extinguisher in good working condition.

(5) Seat belts need to be equal to factory belts or better and in good condition. Race harness belts **MUST** be in good condition.

The above classes are suggested guidelines for LOW SPEED AUTO-CROSS EVENTS. The clubs will be free to run their event as they see fit as long as it is done with safety in mind.

Public safety must be prime consideration at any event.

2008 Rocky Mountain Region Region Sanction Program

This program is an effort to try and get more of the region clubs and members involved in the region champions program. This program will include all types of corvette events. Instead of just sanctioning for the national level we could also sanction for the Rocky Mountain Region. Essentially this means that events sanctioned for our region will be treated almost like non-sanctioned events with a few changes except points will be awarded. There will still be National Sanctions and Non-sanctions available. Listed below are the guidelines.

- (A) Events must be open to all region members
- (B) Events must involve the use of a Corvette
- (C) A Rocky Mountain Region sanction request must be received by the RCD at least 30 day's prior the event.
- (D) Each region governor must receive a flyer or notification of the event at least 15 days prior to the event. This could be sent either by hard copy or by e-mail per the choice of each governor. This flyer or notification must include date, location, type of event, start time, entry fee, and contact information.
- (E) Results and waivers must be sent to the RCD within 15 days after the event is over. Results sheets need to have entrant's name, NCCC number, club, and finishing position. Points will be awarded as per NCCC rulebook. [NCCC National Convention attendees from Rocky Mountain Region will receive 15 points for attending and 5 points for each event entered. This change was approved at the 12/2/07 region governors meeting.](#) In events where entrants are not scored, i.e. driving schools and fall color tours etc, each entrant will receive 3 points. Only region members entering in corvettes will receive points.
- (F) A club will receive club points upon completion of all required paperwork for events that they host. National sanctioned events will receive 100 club points, Region sanctioned events will receive 75 club points. These points will be given for a club's first 7 events. If a club does more than 7 they will be awarded 25 points or the total of the points earned by their members who entered or worked that event, which ever is greater. Club points will also be awarded for the points that members receive from other Rocky Mountain Region NCCC club events that are covered under this program.
- (G) Failure to follow the above guidelines will result in loss of points as per NCCC rulebook.

Public safety must be prime consideration at any event.

VETTES ON THE ROCKIES

July 31st - August 3rd, 2008

Beaver Run Resort - Host Hotel

Breckenridge, Colorado

35th Anniversary!

Looking Glass Corvette Association and Purifoy Chevrolet welcome you to Summit County, Colorado for our 35th Anniversary Vettes on the Rockies.

The weekend will be filled with new activities, entertainment, parties, food, surprises, and the opportunity to see your old friends and meet new Corvetters from around the country.

Our host hotel is, once again, the premier Beaver Run Resort and Conference Center - Exit 203 on WB 1-70, nine miles South on Hwy 9 to Breckenridge. When you contact Beaver Run to make your hotel reservations, please remember to tell them that you are attending Vettes on the Rockies. Otherwise, they will tell you that the hotel is full!

The Autocross is returning to our event and we're sure you will enjoy the new venue for this activity. There will be a few new tweaks to our entire event that we hope you will appreciate.

As this is our 35th Anniversary, we are anticipating additional involvement from General Motors and several other entities from around the country. We look forward to the participation of our 'old friends' and to greeting lots of new people, as well.

We hope to have our registration forms available by early March and we are encouraging early online registration (www.lgaccorvette.org). We foresee Main Street in Frisco filling up quickly. We will not have space for anyone to come up on Sunday to show their car **UNLESS** they are **pre-registered** for 'Sunday Only'. To ensure that you will have a place on Main Street, **Please Pre-Register** for the one day 'Sunday only' Street Show. We will close registration at 550 cars for the Show 'n Shine.

For further information, please contact Tom Robben (303-232-1886) or Joe Parker (303/435-5876). The registration deadline is June 15th, 2008. We recommend that you send in your registration well before then. Registration will be closed when we reach 700 people.

Merchandise will be sold at our event in the ballroom on the first floor of the Beaver Run Conference Center and on Main Street on Sunday. There will be no pre-purchase of our merchandise.

We look forward to seeing you in our majestic backyard. Have a Happy and Healthy New Year.

Save the Wave!

Photo Contest

Instead of trivia for April we are going to host a CSCC photo contest. This could very well be the first CSCC photo contest. I need your photos by April 15th. Ok, many of you will have other things on your mind on April 15th. So submit your pictures early. We will vote on the winner during the May club meeting. Send them to me at miskowitch@yahoo.com.

The subject matter is open. I'll try to get them posted on the website too, so you can see them in color. But black and white photos can hold their own against color. So let's see the pictures.

CSCC Editorials

I would like to thank Larry Lukenbill for trying to promote more events than just a few autocrosses and car shows in the club. I do love to autocross but there are a lot of other things we can do together that will promote friendships and enjoyment with our cars. Our e-mail system makes it possible to do any event on the spur of the moment. I would like to make a couple of suggestions.

1. A monthly breakfast or lunch cruise, easy to put on by meeting at a bagel or coffee shop so no reservations are needed then cruise to Canon City, Deckers, Cripple Creek, San Isabel, to another clubs event just to be a spectator or just drive through our beautiful mountains to where ever you want. Can be a short or day long, and with our e-mail system makes it possible to do any event on the spur of the moment.
2. Golf, monthly or bi-weekly, would be fun. I know a few in the club that plays.
3. Stock Car races in Pueblo on Saturday nights. You should leave your Corvette at home, and drive the family car through.
4. Drag races in Pueblo on Friday nights, watch or enter. You get the picture, and I know there are more ideas floating around out there.

I also would like to address the cost of events. I don't see the need to charge \$30 to Autocross (3 runs). We make good money at events and should look at lowering event fees. I suggest \$25 first session and \$40 for both, Car shows \$15 we would still make money and may pick up more entries. With the cost of gas, food, lodging, we should be pro active in setting a fee schedule for our events.

Thanks ---- John Gue

Happy Spring:

Well almost anyway. But none the less, it will be here before you know it and the **REAL** Corvette season, where one can daily use their *special* car for what it is really meant to be used for, and not a museum piece.

Last month's message stirred some controversy, but it did what I had hoped for and caused a lot of you to think outside the box. It appears that there was a large group that was not satisfied with the status quo and mentioned that to me in person and by e-mail. That was also evident on the CHOICE sign-up sheets that I passed out at the meeting. We now have fourteen different suggestions for things to do, and fourteen different people that are willing to put these ideas into action. If just half of these escapades come to fruition, we have a very exciting Corvette year to look forward to.

Let me share with you some of the ideas so that you can be planning what you would like to do. But let me first offer a word of caution to those of you that have offered to put together an event. If you only get a few people to participate, remember that you and they are having a great time, and those who chose to do something different might not be having as much fun, but certainly don't be discouraged, as nothing ventured, nothing gained. Some of the things that we have on the horizon are a train ride through the Royal Gorge, white water rafting, drag racing at Pueblo on Wednesday nights, cruise, show and shine and dinner at Cy's Drive-in, golfing, breakfast or lunch cruise, Disco dinner, and many others. Hopefully you found at least one that tickles your fancy and that you can't wait for it to happen.

For those that want to put these ideas into action all that we ask is that there be adequate notice given and that they do not conflict with any of our clubs major events, three auto crosses and three car shows. Other than that you have a free rein to make plans. Just come to a meeting with a sign-up sheet and be prepared to give a short talk about what you have planned, but I encourage you to have definite plans and don't let others dictate what you plan to do and when you plan to do it.....be the master of you own destiny, remembering that "you can't please all of the people, all of the time."
