Ladies Lunch July 2011

On July 9th, there were eleven ladies (including one "little" lady) who met at The Wines of Colorado for lunch.
It was a beautiful setting out on the patio by the river.
We all had great lunches and lively conversations. Remember what happens at the ladies lunch stays at the ladies lunch!! Thanks again, Vicki, for putting these together. It's always a pleasurable time.

GET TO KNOW YOUR FELLOW MEMBERS

An interview with Susan and Wayne Umland
By Diana Dittman

How long have you been a CSCC member? **3 years in September.**

What Corvette do you currently own now? **A 2007 convertible.**

In the past? **none**

CSCC offices you have held? **none (yet).**

Marital Status? **Married for 32 years. Wayne and Susan were wed in 1979 and dated 3 years previous to that.**

Where are you from? **Susan was born in Brooklyn, New York and grew up in New Jersey. She moved out here in 1972 and went to college at UNC in Greeley. Wayne is an army brat. He was born in Michigan and lived there for 2 whole days. Other places he has lived are: Texas, Florida, Wisconsin, Germany, and Colorado.**

How did you meet? **They met in 1976 while both were cooks at the Sheraton on the north side of Colorado Springs. Wayne asked Susan out on a date for dinner and drinks at the Sheraton. BUT neither showed up for the date.**

Hmm……But then later Wayne would go visit Susan up in Greeley.

Employment? **Susan has been a special ed. teacher aide at Sand Creek High School for 11 years. Before that she held various cook positions including those at Sheraton and Antlers. Wayne is a software engineer and has been with HP for 26 years. Before that he was a cook for 10 years. *(hmm..with all of this cooking experience they should be able to put together some great meals!)***

Any kids? **They have 3 sons, ages 27, 25, and 20. Two of the sons live in Fort Collins and one lives in Denver. Wayne also has a 35 year old daughter who lives in California with her 2 kids.**

Pets? **Fish**

Favorite club activity? **The autocrosses.**

Favorite CSCC memory? **Wayne says that is was at a PPIR autocross and he was out on the track helping when Tom Ury came around and took a corner just perfectly and the look on Tom's face was priceless-like he knew he nailed it. Just perfection. Susan says hers was winning the Mayflower Rally this year. She said she never expected it.**

Hobbies? **Susan says she likes camping, the**

outdoors, the Rockies and Broncos. Wayne says he loves the outdoors and is into hiking, canoeing, hunting, camping, snowshoeing, anything outdoors. He has hiked the Colorado Trail 500 miles.

What is your dream Corvette? **Wayne's is a C6, ZO6.**
Susan's is a C3. She likes that shark body style.

What was the best vacation you ever took? **It was when they went to Jamaica for their 25th wedding anniversary and Susan's 50th birthday. Wayne said it was great to spoil her on that trip.**

Anything else you would like to add? **The camaraderie in the club is amazing, as with other clubs as well. There are a lot of great people.**

Thanks for the interview Susan and Wayne.

Happy Birthday

Hub lunch, 6-24-11

It was perfect weather for meeting at The Hub for lunch (for drive your Corvette to work day). I believe the end count was 16 Corvettes in the parking lot. Great conversation and good food was had by all. There were even members who showed up that we hadn't seen in years (the Fenders). And it was great to see Carol Wittrock out and about. Vance Davis showed up with his daughter, Victoria. All and all it was a great time. Thanks to Tom Ury for coordinating this event. Well done.

Keystone, CO Autocross

July 2nd and 3rd

This 2-day event started out with a few CSCC members caravanning to Keystone on the 1st, then the remaining competitors driving up early on the 2nd. The weather was warm and the mountain scenery background was amazing.

Day 1

Some of the CSCC members listening at the Driver's Meeting

Wayne Umland offers last minute advice to Barb Hoeppner before she drives the Umland's C6

The following pictures show a few of the CSCC cars and drivers as they were preparing to race on Day 1. Drivers included Laurie and Lorren Loewen; Anne and Scott Lewis; Shauna Catt and David Hall; Barb and Tom Hoeppner; Jerry Ludke; and Wayne Umland (Young Race Hopper).

The CSCC ladies put on a clinic of how to drive the course with Shauna leading the way and taking women's FTD (Fast Time of the Day). Laurie, Barb and Anne also drove amazingly and shared the 2nd and 3rd FTDs for the ladies. Wayne and Lorren battled hard for the CSCC men's FTD, but Wayne ended up on top. One extra bit of news was that this was the first time Barb

ever drove a C6, and she beat Tom's fastest time by a huge 7.399 seconds. As one of the TORCA drivers jokingly stated, "man Tom, that's almost half the distance of the course."

Day 2

On Sunday July 3 members of the CSCC attended a second day of auto-crossing hosted by DCA in Keystone. Pete Urenda did his usual magic and designed a course every bit as good as the day before. The CSCC was two drivers short of the autocross the day before; however, there was eight drivers taking part in both the morning and afternoon events. It was a sun and fun filled day with our lady drivers dominating the women's field overall with Shauna Catt taking the overall women's FTD in the morning and afternoon. Helping Shauna dominate was Anne Lewis and Laurie Loewen. For the men it wasn't quite as good letting members of TORCA take the top spots. Wayne Umland took the FTD within our own club. Besides Wayne contributing to the men's efforts was Tom Hoeppner, Scott Lewis, David Hall and Lorren Loewen. Also attending but not driving this day was Barb Hoeppner, Tom Hanon and Maite Hanon. All in all it was a great day shared not only with members of our club but with a lot of good folks from DCA, TORCA AND CWC.

Black Forest Parade

Saturday – August 13th

***Parade Theme* - "Everyone is Family in the Forest"**

***Chairpersons:* Tom & Barb Hoeppner & Dana Cherry**

SPONSORED BY - THE BLACK FOREST COMMUNITY CLUB

The Festival and Parade will be held Saturday, **August 13, 2011**.

Club participants from the Corvette and Porsche clubs are asked to meet at Tom and Barb Hoeppner's home (map included in this document) any time between 8 and 9:30 AM for breakfast. Tom will pick up the entry number around 9:30; then participants will caravan from the Hoeppner's home about 9:45 to the staging area…which is less than a mile from the Hoeppner's home.

The actual parade begins at 10:30 AM; is about ¾ mile in length; and should last about an hour. There will be additional food and entertainment available near the parade route (before and after the parade), and there will be a display area should anyone like to display their car after the parade. (Barb and Tom are going to display their '63 Vette and would love some company.)

More Details – As indicated, this is planned as a joint single entry in the parade and we're hopeful we'll have at least as many cars as we did last year (about 20 cars). Also, while we're waiting for confirmation from the pa-

rade coordinator, we're anticipating that tossing candy, balloons, or other trinkets to kids along the parade route will be allowed. As a side note, I had 2 bags of candy last year and ran out, even though it's a fairly short parade. Bottom line…it sure was fun!

While Barb or Tom will pick up the entry information and lead the group to the staging area, should anyone not be able to make it to the Hoeppner's home prior to the staging, we've included a couple maps to help people find the key locations.

The first map shows parade and parade route information.

 The map shows that the parade entries will begin staging between Clair Lane (Parade Starting Line) and Herring Road on North side of Shoup.

The second map shows how to get to Tom and Barb's home.

Here's the link to the web page calendar with map.

Sunday, July 10 Autocross

Torca hosted two low-speed Autocross' on Sunday July 10 at the Front Range Airport. This was a new venue for them and it proved to be exciting fun racing with some quick times for the course which was almost a mile. CSCC was well represented with 10 drivers.

The morning began really, really early with all caravanning from the Monument McDonalds at 5:45. There was quite the group heading up I-25; YRH, Tom Hoeppner, Lorren and Laurie Loewen, David Hall and Shauna Catt, Rik Noring, Jerry Ludke, Tom Ury and Steve Hobbs. Nobody got lost and the trip up was uneventful and at safe speeds.

The racing was fast and it was a course where tires made a difference with big sweepers and slaloms. For CSCC, Shaua and Lorren were fastest and the rest of us were peddling hard to keep up. We did have many good times. Check the results on the web to see how we all placed. New prospective club members Rob and Kellie, sponsored by Steve H. drove up to see what the events are like and cheered us on. It is always great to introduce new members to the sport. The only mishap was Laurie's air intake came loose and YRH's tools were used again. His tools were also used earlier to get a Mustang back in the race. Its tailpipe fell off. Fords, fix or repair daily.

After racing all enjoyed a beverage with other club members and talked, yes, you guessed it, Racing and Corvettes. All caravanned home, yes it rained on the shiny Vettes, and dinner was at the new Brew Pub on Interquest. Come join the fun at the next races.

The cars are lining up for a parade from the hotel to downtown Tinley Park, IL. There were over 400 cars in the parade and the "town officials" thought it would take a couple of hours to go 5 miles. It took 45 minutes from the time the first car left the parking lot to having the last car parked...Corvettes know how to parade! (And there was no speeding)

For Sale: 1978 Chevrolet Corvette

- 21,864 miles
- 350 crate small block
- Automatic
- Power windows
- Centerline wheels
- New Edelbrock carburetor installed at 21,590 miles
- Custom paint, custom interior, body kit
- 25th Anniversary tags on hood, gas cap, and steering wheel
- Alpine CD player, new speakers

This 25th anniversary Corvette has been customized, not a lot of original parts on it. With the new carburetor the car runs very well. The AC needs a recharge and the right rear view mirror does not adjust properly. Slight damage on passenger side front wheel and a couple of nicks in the paint. With that said, the car looks and moves great, and comes with only 21k miles on the new engine. Asking $15k, but also accepting reasonable offers. For sale by owner.

Thanks for looking! Hope to hear from you soon!"

NATIONAL CORVETTE MUSEUM

In the July 2011 Vette Set, I wrote "I sometimes wonder if anyone reads the NCM news I submit each month. Hopefully you do." It seems that only Alta Olejnik read it and she was kind enough to tell me. Since she read it, I will continue the column to bring you news of the NCM or information that the NCM would like me to pass on to the club.

Road America, Elkart Lake, Wisconsin and Corvette Racing have formed a partnership that is supporting the Corvette World Tribute August 18 – 21 in conjunction with the ALMS GT2 Race. The CWT offers Corvette racers and enthusiasts the opportunity to take part in action on the track with a rich Corvette history. Celebrating the 100TH Anniversary of Chevrolet, there will be racing, touring, displays, presentations, celebrity guests, autographs, reunions, vendors, the traditional Corvette Corral and more including the re-dedication of the famous Corvette Bridge at turn 6. Sunday, August 21, is the crown jewel of the event. The NCM will be represented by a booth.

I have been to Road America several times, in the early 1960s (that really dates me doesn't it) in my 1956 Corvette and found that the track was a wonderful place to view all the different race cars and the very fast Corvettes. That was the first time I was introduced to the Corvette Corral. As I remember, the Corvettes did not do great, but Hap Sharp in the Penske Chaparral was absolutely amazing. If you ever have a chance to visit Road America, I highly recommend it.

I will have more raffle tickets for the 2012 black convertible at the August meeting. I will be sending the stubs to the museum after the meeting, so if you want one or two, let me know. They are $10 each.
