# December Meeting Minutes

---

The December meeting was called to order by President Tom Hoepfner at 7:00 p.m.

**Guests were introduced** by Diane Stermer. Bob Balink was voted in as a new member.

**Treasurer's Report** – Lorren Loewen reported on the fund balances and available funds. With a motion and a second the November treasurer's report was approved.

**Proposal: 2014 Budget** – Lorren continued with a proposal for the 2014 Budget. Following the successful budget design for 2013, Lorren reviewed the details and reported the Board recommended the same budget categories and limits as 2013. With a motion from Todd Butts and a second by Dave Cherry, the 2014 budget was unanimously approved by the members.

**Proposal: 2014 CSCC "Voucher Program"**  
President Tom Hoepfner presented a proposal from the Board for a way to

- Reward members for their past event participation and contributions to the Club's General Fund
- Allow voucher owners to choose how voucher funds are spent
- Encourage further event participation or purchase of merchandise

The complete document - The 2014 – Member voucher Program Proposal – was distributed to members in attendance. (See next page in this newsletter for complete document.) Following discussion Tom Hoepfner made a motion to accept the Proposal, Todd Butts seconded it, and with a unanimous vote, the Voucher Program was approved for 2014.

**November meeting minutes** – With a motion from Mikie Ulrich and a second from Barb Hoepfner, the November meeting minutes were approved as printed in the December newsletter.

**Christmas Basket Project** – Tom Hoepfner reported for Judy Gue that all plans and schedules were on target for the Christmas Basket assembly and delivery of 127 food baskets for local community families.

**Christmas Party** - Anne Silvers reported 80 members signed up, but about 30 hadn't paid. Some who had planned to pay at the meeting were unable to attend. Anne will follow-up with those RSVP's still outstanding.

**New Cars or Upgrades** – New Member **Bob Balink** reported a pothole-damaged wheel on his Monterey Red 2006, successfully replace by the Corvette Center. **Rick Mendoza** found a hard top for his new 1968 Rally Red Corvette just 3.3 miles from his son's home in Huntington Beach, CA. Talk about lucky! **Bob Knowles** C-5 is now officially his, generating a collective sigh from other members who have experienced that same relief. Wayne Hoskins was pleased to report **Jerry Phillips** was selected as Manager of the Year, receiving one week trip to Hawaii, all expenses paid with additional fun money. Congratulations Jerry!

**Mission Medical - 2014 Charity** - Mission Medical Clinic was the only nomination for the Club's 2014 designated charity. Joy Boland submitted the required information by the November deadline, and the information was posted on the

webpage and in the December Newsletter.

Ben Wentworth, the Community Relations representative from Mission Medical presented brief history, statistics on the significant impact the Clinic has in the community, and opportunities for gifts in kind or volunteering for anyone interested in more involvement.

With a motion from Rob Miskowitch, a second by Dave Cherry, and a unanimous vote, Mission Medical was approved as the designated 2014 Charity.

**Upcoming Events**- CSCC January 12<sup>th</sup> Go-Cart event is on the calendar, but somewhat in limbo. Check for updates closer to the date.

Jan 18 – CSCC Dub Bridge Party

**Good News/Bad News Suitcase** – Brian Dahl was the high bidder with \$25. The suitcase will be due back at the February meeting.

**The meeting adjourned at 7:55 p.m.**

# 2014 – Member Voucher Program Proposal

(Approved by membership vote on December 5, 2013)

## Background and Concept:

In early 2012, availability of Club funds for event deposits was virtually non-existent and requests for certain event fees were requested in advance. The Board held a special budget meeting and evaluated possible reasons for the shortage, and decided to focus on ensuring By-Laws were being enforced regarding proceeds of funds from events, and to re-channel funds (e.g. 50/50) into the General Fund. Members voted to support the approach, and thankfully the approach has worked perfectly. It was also decided to establish a formal budget for 2013, which included an evaluation of funds spent in various areas for the previous 3 years. That budget (approved by the members) facilitated improved tracking of funds and provided a roadmap of ensuring fund spending was/is on track.

Due to excellent event management by chairpersons and member support and event participation, the treasury's balance quickly grew to a point where the 2014 budget allows for some sort of extra benefit for the members...and the Board has come up with an idea of a "Member Voucher Program" for this upcoming year.

## Purpose:

To reward members for their past event participation and contributions to the Club's General Fund.

To allow voucher owners to choose how voucher funds are spent.

To encourage further event participation or purchase of merchandise.

## Voucher Rules:

Event Entry Fees – Vouchers can only be used for CSCC events, including event entry fees for autocrosses, rallies, parades or car shows; and early payment for Christmas party attendance.

CSCC Merchandise – Includes all available merchandise, including polo shirts where additional embroidery is needed.

Transfer of Vouchers – Vouchers cannot be transferred.

Expiration – Vouchers expire October 31<sup>st</sup> 2014

Distribution – 1 voucher will be issued to each primary member on record as of November 15<sup>th</sup>, 2013

Restrictions for Voucher Use – Vouchers cannot be used for 50/50 drawings or for dues.

## Concept for Amount Proposed:

While treasury funds would allow for more money to be included in each voucher, much consideration went into the approach of not having the Club face any financial problems in the future. Considerations included that while we've budgeted each category of the new budget plan, unforeseen expenses cannot be fully planned for. In addition, in 2014, it does not appear we will be receiving the \$700 we've received in the past for support of the Vettes on the Rockies autocross (it may not happen in 2014). Additionally, the Club cannot plan for lost deposits at PPIR if bad weather would cause an event(s) to be cancelled (\$700 per day). Other unforeseen expenses might include damage or loss of any of the existing property we own (trailer, timing equipment, and other higher value items). Finally, we thought it appropriate to keep the voucher amount less than the cost for membership (\$25).

While the Board agrees planning for unforeseen situations is important, we also wanted to have a positive approach. Assuming we have no large expenses or cancelled events, and support for all our programs/events continues, we would like to suggest that (as the year progresses), members consider whether we'd like to spend "some" of the extra funds for the support of a Club picnic; perhaps an enhancement to the Christmas party; or apply funds to a different event or project.

This program would be in place for 1 year, however, if the current trend continues, the Board and members may want to continue the program in future years.

(check for go/no-go update)

**Jan 18** – Dub Bridge Party!  
(An annual event – check webpage calendar for details)

### GEM – Frostbite Yogurt

November 26th was a great night for a yogurt! John C. and Diane Gue welcomed eleven members for a yogurt treat at their new establishment.

All enjoyed the relaxing setting – perfect for a group to enjoy tasting the different flavors of yogurt. Some of us stayed long enough for second helpings.

John graciously donated 15% of the proceeds to the Christmas Basket Fund. It was fun to celebrate with a 2<sup>nd</sup> generation club member in the opening of a new business.

Don't forget to add Frostbite Yogurt to your list of favorite stops for a treat.

Those not smiling wanted some more!

Those attending:

- Pete and Alta Olejnik
- Bud and Anne Silvers
- Larry and Gwenda Valentine
- Gail and Jane Creighbaum
- John and Judy Gue
- Kathy Bitney.

### Christmas Baskets-Judy Gue

This year our club members went above and beyond to make our Christmas Basket Project a huge success! Despite unexpected last minute changes of location and times, 127 baskets were filled and delivered with care to local families needing a little extra help and love.

Thanks to your generosity of money, time, and caring hearts, you made this project happen! Everyone who donated money, assisted with calling families, picked up and set up food, and assembled and delivered baskets...you are all so appreciated!

Special thanks and recognition to Loewen's for the use of their building; Gue's, Olejnik's, Strauch's, Ury's and Valentine's for their time, talents, and resources to coordinate schools, families, and food for assembly and delivery; Susan Miskowitch for mapping.

Thank you all very much!

[See list on page 8 of those who helped Friday and Saturday.]

## **2013 Regional Competition Standings**

As normal, our Club members showed their talent and support for the Region's 2013 events. The list shows where we had people rank in the Region's top 30 finishers in each category, but go to the Region's web page to see where everyone finished. [Rocky Mountain Region Competition Standings for 2013](#)

## Rocky Mountain Region - NCCC - 2014 Race Number Request Site

If you do not participate in Rocky Mountain Region (regionally or nationally sanctioned) autocross events then you probably don't care about this. [Editor's note – However, to make the pages come out even, I thought it appropriate as a reminder for new and seasoned members, that the website will start taking requests at midnight New Year's Eve – 12:00 AM January 1, 2014.]

The Rocky Mountain Region of NCCC allows members to request a two digit racer number. If this racer number is available - it will be assigned to you for the entire year. These numbers will only be recognized at RMR-NCCC auto-crosses. If you attend an out-of-region autocross, this number will not apply at that event.

You do not need to obtain a permanent racer number to compete. If you do not have a permanent racer number, the event organizer will assign you a 3 digit racer number (100 - 999) for that particular race. In this case, your racer number will not be the same for every event.

Numbers 1 - 15 are reserved for the top 15 point recipients of 2013. Note - the top 15 women will have their 2013 standings number with an "L" after it. If you are one of the top 15 point recipients then you may request another number (16 - 99) and as long as you are the first to request it, you can use that number for the year. Your number (1 - 15) which was assigned to you cannot be transferred to anyone else and will not be used if you decide to request another number.

Numbers 16 - 99 are available on a first come first served basis to anyone who wants a permanent number for 2014. Note - in 2014, the numbers 16 - 99 are available for men and the numbers 16L - 99L are available for women.

If you had a number in 2013 then you must request your number (same or different) again for 2014. This website will start taking requests at 12:00 AM on 1/1/2014.

Once you have requested and received a number you will not be able to change it, so make sure it is the number you want. The following numbers have already been assigned:

1 - 15, 1L - 15L , 16, 17, 17L, 18, 19, 19L, 20, 21, 22, 23, 24, 25, 26, 27, 28, 28L, 29, 30, 31, 32, 32L, 33, 33L, 34, 35, 36, 37, 38, 38L, 39, 40, 41, 42, 43, 44, 45, 45L, 46, 47, 48, 49, 49L, 50, 51, 52, 52L, 53, 54, 55, 58, 59, 60, 61, 61L, 62, 64, 65, 66, 67, 68, 68L, 69, 70, 71, 72, 73, 74L, 75, 76, 77, 77L, 78, 80, 81, 82, 82L, 83, 84, 85, 86, 87, 88, 89, 91, 92, 93, 95, 95L, 96, 96L, 97, 98, 99

**NOTE: The race season for 2013 is over. The database will be cleared out and the top 15 numbers will be assigned once the top 15 point achievers for 2013 are known.**

RMRNCCC ID: RM-  -  NOTE: If you are a lady, please be sure and add an 'L' in the 2nd field of the RMRNCCC ID.

## PREMIERE CONVERTIBLE, Z06, & MORE

The 500-unit Premiere Edition Coupe was revealed at the National Corvette Museum's 60<sup>th</sup> Birthday Celebration June 28, 2013. On December 3, 2013, Chevrolet announced that the 2014 Corvette Stingray Premiere Edition Convertible would be available in early 2014. The convertible, limited to 550 units, promises to deliver an enthusiastic Premiere encore!

The convertible's Lime Rock Green exterior and tan top will be complemented by a Brownstone suede interior with suede-wrapped trim and carbon-fiber accents. Abundant features include a variable tuned performance exhaust system, Z51 performance package, magnetic selective ride control, Stingray-logo center cap wheels, unique VIN sequence and dash plaques, and 5-piece Corvette-branded luggage. The \$77,450 cost includes destination and delivery fees.

The Premiere Editions can't be ordered, but will be shipped to select dealers. As top-selling dealer Daniels Long received the Premiere Edition coupe, I would expect they'll get the convertible as well.

Chevrolet will introduce the 2015 Corvette Z06 in January 2014 at the North American International Auto show in Detroit. It will be the most track-capable Corvette ever, designed to deliver supercar levels of performance through unique power train, chassis and aerodynamics. According to NCM personnel, the Z06 may be on display at the Museum's annual bash next April.

NCM has announced the three inductees to its Hall of Fame for the 20<sup>th</sup> anniversary celebration over Labor Day 2014: Jerry Burton, John Heinrich, and Dave MacDonald. More details next month.

I'll have \$10 raffle tickets for a 2014 Torch Red C7 coupe at our January 2<sup>nd</sup> meeting. (For those anticipating stocking-stuffer tickets at December's meeting, sorry I missed it due to the "weather event" in the mountains.)
