The June meeting of the CSCC was called to order by President **Walt Jenkins** at approximately 7:00 p.m.

Karen Jenkins announced that there were no amendments to the June minutes. Motion approved.

Karen announced the June birthdays. We hope you all had a great birthday!

Treasurer's Report: **Gary Yale** announced that the club treasury has a total of \$2947.00.

Greetings: **Bob Capraro** introduced the guests. **William and Kia Silvi** are eligible for membership and **Cindy and Jim Powers** were voted in tonight. Please welcome Cindy and Jim as our newest members and we hope to see them at many future club activities.

Merchandise: **Larry Lukenbill** announced that the web-site for ordering merchandise is now up and running. If anyone needs information on how to access the website. Please see Larry and he will tell you how. If there is something that you are interested in, that you don't see in stock, please let Larry know and he will try to get it for you. Because the website is new, please let Larry or Walt know if you run into any problems or have any suggestions.

There were 6797 hit on the website for May. Walt reminded everyone that **Bob Jennaro's** car is still on the Splash Page. If anyone is interested in featuring your car, please give Walt a picture.

Old Business

Fun-In-The-Sun Car Show: **Rik Noring** reported that there were a total of 52 cars that turned out. It was a perfect day for a car show and had a great turnout. Thank you Rik for all of your hard work in putting it on and a **VERY SPECIAL THANK YOU** to **Sandie Noring** for the wonderful food she provided and cooked for everyone!

Abbey Car Show: **Diana Dittman** announced that there were around 47 or 48 Corvettes at the Abbey Show. Besides having such a great turnout, the weather was really great. Especially sitting under the tent that was provided by Dan Samento of the Rocky Mountain Corvette Social Club. The Southern Colorado Corvette Club also attended. There was also a wine tasting, which Diana and a few other members of our club participated in, so I'm sure that they **REALLY** enjoyed the show after that!

Pictures from the Estes Park Run, June 25th & 26th

Daniels Car Show: Sean Pazdzior didn't have any new information on the car show but he did mention that we had 102 cars at the show last year and that most of those cars came from "outside" of our club. He reminded everyone that **Daniels** is our club sponsor and he stresses that we need more club participation for the show this year. I would also like to remind everyone that aside from the monthly door prizes that Daniel donates to our club, they also are responsible for paying for the printing and mailing of our club newsletters. It is imperative that we support them for this event to show our appreciation for their support all year long. Registration will be online and Sean and Ray promise more information to follow.

Pagosa Springs Classic: Larry Smith reported that there are 20 rooms available at around \$55.00 per night. **Barb Reynolds** is the Chairperson for the event but was not present tonight. Larry said that Barb was looking for volunteers to help out so if you are interested, please let Barb know. For all newer members, helping out and volunteering for any event is the best and quickest way to get to know your fellow members. The Pagosa Springs Classic is always a really fun time and a great way to "get away from it all!"

Autocross Cones: Walt announced that the autocross cones have been ordered and received. Walt sent out a special "Thank-You" to **Hal Tumbleson** donating towards some of the cones. Thanks to his generous donation, the club was able to purchase 42 more cones than expected. **Gary Crumb** suggested that we take two of our worst, old cones and give them to **Patty and Dick Strauch** because they have put most miles on the cones than anyone!

Walt mentioned that **Hal Tumbleson's** company is offering FREE newspaper subscriptions for the Denver Post and The Rocky Mountain News to any club member who is interested. Please contact Hal.

Corporation Papers: Walt reported that the Corporation papers have been filed with the State for the year.

New Business

NCCC News and Updates: Governor Gary Crumb gave an update of events. The events are listed in the newsletter. There was one change that Gary mentioned and that is that the TORCA Dealer Show that was originally to be held on July 9th has been cancelled. Gary also mentioned that he was getting rule books for anyone interested and who does not have one. Please let him know if you need one.

Summer Autocross

Summer Autocross: Don Adametz reported that we have the World Arena for our Summer Autocross to be held on July 17th. Don and Walt are working on a contract with the World Arena. Don also has a back-up in case the World Arena doesn't work out. There will be two autocrosses held that day. The "Matching Times Autocross" to make up for the rain-out at P.P.I.R. and a regular autocross. Some of our members are planning on going to the Spearfish event that weekend, so Don said that he would check on the availability of the World Arena for the following weekend, July 24th. Patty Strauch motioned that the club allocate \$1500.00 for the autocross. Motion carried and passed.

Stenciling Bar-B-Que: We are planning to have a stenciling bar-b-que at the Jenkins home on July 9th. This is so that we can stencil our club initials on the new cones. Anyone who is interested in participating, please let Walt or Karen know. Also, since the Bar-B-Que is to be held at Walt's house, everyone please remember to bring your umbrellas!!!

Club Picnic: We are looking for volunteers to chair the club picnic this year. Anyone who is interested, please let Walt know.

Fall Autocross: Shawn Mess announced that he has found a possible place to hold the Fall Autocross this year in Golden Co. The cost will be around \$1000.00 and he is checking on all of the details for renting the course and will give us further details later.

Pete Olejnik gave an update on the DCA autocross that was held on May 22nd in Mead Colorado. Pete and Alta donated their time and sweat to take our timing equipment up there so that DCA could see how it works. There were a couple of close calls which were not our fault and people kept walking through the timing lights, probably because they were not used to our equipment. The autocross was held on a road course, which was a first for many of us so it was really exciting! Pete encourages anyone who likes to autocross to try this course the next time the event is held there.

Fourth of July Parade: The Annual Fourth of July Parade will be held in Monument on July 4th. Anne Silvers asked for a show of hands for the people interested in participating. All entries need to be in line and cars decorated by 8:30 a.m. for judging. The theme this year is "Honor, Courage and Country" so let's try to decorate our cars as "Patriotic" as possible. There will also be a potluck at the Bochnak's home immediately following the parade. If you plan on participating in the parade and/or potluck, please let Anne or Winnie know. You will be asked to bring either: appetizer, salad, vegetable, drinks or a desert. Meat will be provided. Please keep in mind some of the rules for the parade such as:

-Units should be decorated before checking in (get there early).

-No semi-trucks or tractor trailers. (Continue)

President's Corner

Corvette Season is in full swing as evidenced by a few pictures from most of the events that have happened over the past month or two. It is always a good time when we get together with our Corvette "Family" for whatever reason, be it Club Meetings, Autocrosses, Car Shows, Parades, or Saturday Evening at the Powers Car Show. I encourage all of you to get out and **PARTICIPATE!** You don't know what your missing and since Colorado's Summer months are so short, there are a limited number of days that are good enough to be able to get out. If you missed it, John Gue had a great idea to get up to Estes Park and relax for a few days. It was a great time, even though we only had eight cars. Hopefully, if we do this trip again, more club members will come out and have some fun. So let's all get out and participate, it lets the chairperson know that you appreciate his/her efforts.

Speaking of getting the Corvette out of the garage, we have the Summer Autocross coming up on July 17th, always a GREAT time, Vettes on the Rockies July 28th to August 1st, and the Daniels Dealer Appreciation Car Show on August 20th as our next major events. We need EVERY car that can possibly make it out of the garage to come to the Daniels show. Daniels supports us not only with the great door prizes every month, but with our monthly newsletter and our twice yearly mailing of the club roster, so we need to show them that we appreciate it by attending the show. Not to mention the fact that there will be food, drink, door prizes and great trophies! Come on out, meet some new friends and re-acquaint yourself with old ones!

Respectfully submitted,
Walt Jenkins
President

FYI SECTION

This is to let you know that Joe Joseph had a pacemaker put in some time ago (and of course didn't want to worry US). He is supposed to be taking it easy and doing less exercise. We wish you a speedy recovery and PLEASE, listen to your doctors!

Dan Miller was also taken to the hospital last month with a blood clot in his arm. He has since been released and has returned to work with "light duty" restrictions. We hope you take it easy so that you can get back to yourself and we are so very thankful that you both pulled through o.k.

Hi All,

I received a call from a lady named Ann McCann. She wanted to know if any members of the club could be in the Salute to Veterans Parade on Aug. 20th in Cripple Creek. This is a 3 day event including a VIP dinner, motorcycle rally honoring POW's and MIA's. There will be flyovers and she told me that some of the top military brass will be there. She also would love for us to drive some of the distinguished military personnel in the parade as passengers. A minimum of 6 Corvettes are needed. More would be better. The parade will start around 10-10:30 am and the cars would need to be there by 9:00 am to line up. The parade route is down Bennett Ave. in Cripple Creek. Please let me know if there is any interest. I will talk about it at the next meeting in July. This is all of the details I have at the moment.

Thanks, Diana Dittman

Spradley Car Show

It was a scorching 98 degrees in Pueblo for the Southern Colorado Corvette Club's show held at Spradley Chevy, June 18th. There were between 60-70 Corvettes at the show. Us folks from CSCC were made to feel very welcome and got to chat with some of the SCCC members. There were some great door prize give-a-ways including a Corvette Clock that Herb Thompson won and \$25 cash that the Dittman's won. We were treated to lunch consisting of hamburgers, hot dogs, chips, soda, and water. Those in attendance from CSCC were: Joe Joseph, Mike & Diana Dittman, Larry Small, Dan Miller, Joe Vlasek, John LaSage, Paul Thompson, Herb Thompson with Karen Lockwood and Ric and Florece Noring Jr. Hope I didn't miss anybody. Winners from CSCC for C1 convertible were: Herb Thompson, for C4: Larry Small, and for C5 Coupe: Dan Miller. Congratulations! It was a great day and a great show. Thanks Spradley and SCCC!
