We would like to welcome Tim back. He is visiting after moving to St. Thomas in the Caribbean! Tim will be staying in Colorado until sometime in September. We love having you back Tim!

RMCSA;

Attended my first Autocross Saturday and Sunday morning at PPIR and had a blast... Saturday we spent the day in Autocross school, which consisted of 3 small courses designed to practice acceleration, breaking, turn in, apexing etc... Had a blast pushing the car in the corners and finding the limits of the tires... All kinds of drivers from absolute beginners to very good seasoned veterans... John Ames can definitely drive, and several RMCSA members were definitely among the fastest and smoothest on the track including Mark Forbes, Brian Yaninek, Jerry Forbes, Craig Wisniewski, Joe Vlasek, Walt Jenkins and Larry Lukenbill ... Sunday's Autocross was a larger track set up across the entire parking lot and had a little bit of everything including a slalom, chicane, decreasing radius corners, half a figure 8, short straightaway, etc., and took between 70 and 95 seconds to run depending on how fast you wanted to do it... Most people got to run it 3 or 4 times and the best time was recorded...

When not driving, most people got to work the track and keep the cones set up which allowed you to watch the other drivers attack the course...

It was very interesting to see the different styles and skills of the drivers and again John Ames was by far the smoothest and fastest driver I got to watch... I'd highly recommend Autocrossing to anyone who wants to get to know their car and it's limits a little better in a safe track environment without fear of the LAW and other drivers distracting them... There will be another Autocross at PPIR in June and I'll definitely be there

...

Oh, and it rained a little but who cares...

Steve Dunham

FYI SECTION

Diana Dittman had some minor surgery done on her leg in April. She is up and about, so please give her your best.

We received a newsletter from our club charity, Northern Churches. It is too big to put in our newsletter, so I will pass it around at the meeting.

We would like to send a BIG congratulations to our Treasurer, Gary Yale and Debbie Adams for setting their wedding date. There will be a "Couples Shower" at the Olive Garden at 7815 N. Academy Blvd. on May 11th (Wednesday), at 6:30 p.m. Please R.S.V.P. to **Diana Dittman** or **Alta Olejnik** by May 1st. Each couple is responsible for their own dinners.

Kelly and Jimmy Zajicek had a big misfortune this past month. The engine in Kelly's '77 Corvette caught fire due to a cracked O-ring. Jimmy had just been working under the hood when Kelly started the car and her engine was engulfed in flames. She wanted to remind everyone that these types of things can happen to anyone at anytime and thanks to Jimmy's clear head as well as some help from some neighbors, it wasn't as bad as it could have been and no one was hurt. We're glad you both are o.k.!

Other thank-you's from the Cone Zone VI Autocross weekend:

Walt,

Thank you so much, Saturday was my birthday and it was the best ever. You guys put on a great event, I really appreciated it and I know how much work must have gone into it. I can't say enough about the club and its members. I don't remember all the instructors names but one was better than the other. Had Barb go out with me a few times and she even drove my car once(87DarkRed Metallic.) I realized how hard it is to drive when you've got a hot blonde sitting next to you.(you can tell her I said that). Everything was perfect. Thanks Again to All. I can't begin to tell you the respect I have for all your guys and girls.

Billy Bruscella

Walt,

I would like to compliment you and all of the CSCC members on a job well done at the autocross school and autocross. The event was very well organized and executed. As always John Ames did a great job designing the course. I also really liked having a vendor at the site selling food.

I do wish that you would try to better schedule the rain so that the second group of cars could run in the dry....just kidding of course. ☺

Mark Forbes

CSCC President **Walt Jenkins** called the April meeting order at 7:00 p.m.

Karen Jenkins Made a correction on the March minutes indicating that there was a change on the Events Calendar. The Fun -In-The-Sun Car Show is posted on the calendar for May 21st and should be changed to May 14th. And the ABBEY Show should be on the 21st of May.

Gary Yale gave an update on the treasury. We currently have \$1851.51 in the treasury.

Jane Creighbaum Filled in for Craig Wisniewski in the introduction of the guests. We would all like to congratulate Daryl and Carol Daniel as our newest members of the club. They were voted in tonight. Please be sure and say "hello" and welcome them. We look forward to seeing them at future events.

Pete Olejnik gave an update on the merchandise. He announced that there are only a select number of club T-shirts @ \$12.00 each and Polo shirts left. We also have some hats and a couple of flags available. He stated that we won't be getting any more until we can find a new vendor. Pete is still searching for a vendor. **Walt** is working on setting up a website with pictures of what merchandise is available along with online ordering and payment. Pete also announced that **Larry Lukenbill** will be taking over the merchandise. We would like to thank Pete and Alta for all of their hard work dealing with the merchandise this past year! You guys did a great job! We would also like to Thank Larry for taking it over and giving Pete and Alta a well deserved break. **Walt** announced that Tom Burks car is still Corvette of the month. He also reported that we had 26,864 hit on the website in March.

Old Business

John Gue reported that he did not have any further updates on the Estes Park trip at this time. The trip will be held on the 25th & 26th of June in Estes Park.. So far, Walt and Karen as well as Joe and Sandy Vlasik will be going up on Friday, the 24th. If anyone is interested in caravanning up with us, please let one of us know. Please ask around if you are interested in caravanning up with a group. If you are planning on going, you NEED to make your reservations A.S.A.P. as the motels and lodges are filling up quickly. Walt and Ruth Swindale are both familiar with some of the motels in the area.

Ruth Swindale gave a report on the Saint Patrick Days Parade. She announced that the weather was beautiful and there was the biggest crowd ever of about 25,000 in attendance. The group then went to Fanz for lunch afterwards and all had a great time.. We would like to thank Wally and Joanne Bochnak for donating the stuffed leprechauns to the

Kids and grandkids of the members who attended. That was a very nice and unexpected surprise.

Pete Olejnik gave a report on the April 2nd, "Not A Fools Autocross". He announced that we had 33 people and we raised \$333.00. We would like to thank **Gary Crumb** for donating the awards for the autocross. The awards were given to **John Gue** for best time in his C4. The C1 & C2 award went to **Dick Strauch**. The C3 award went to **Christina Spencer** and the C5 award was given to **Anne Lewis**. Congratulations to you all! There were a few problems with registration, the timing display and in tech. Fortunately, this was a practice autocross to help us find and eliminate problems so all in all everyone had a good time and we got to run the autocross twice and we were finished by 3:00 p.m.

Walt passed around sign-up sheets for the Cone Zone Autocross and the Fun In The Sun Car show. **Craig Wisniewski** has set up the Holiday Inn on South Powers for Cone Zone Autocross so we can get together with the other clubs who are coming down for the event. We will be getting together in the bar area on Saturday night, April 23rd.

Vicki Ury has volunteered to be our new chairperson for the Homecoming events at the high schools. Thank you Vicki for taking that on and we would like to also thank **Jane Creighbaum** for all of her hard work as chairperson in the past!

New Business

Gary Crumb gave us news and updates on changes in the NCCC. He announced that the Regional will be held in Casper WY. On Labor Day weekend. They are planning on having a 3.1 mile autocross for those interested. He also informed us on new insurance changes taking place. A couple of changes he mentioned were as follows. If the wheels turn, we need a waiver!

This includes all rallies, fun-runs and every event that we do in our Vettes. He also informed us that if you have a NCCC number, you are insured, if you are not a NCCC member, you will NOT be covered by K&K insurance. He mentioned that the 8

Gary stated that the autocrosses in Grand Junction to be held in June and August will be Corvettes ONLY! No metal cars unless by invitation only. He asked the club if to consider whether we would like to help/sponsor or put on a regional picnic this year. We would pick a nice spot somewhere between Colorado Springs and Denver to hold the picnic. Please think about it and let him know if you would be up for the idea. Gary also asked if the club would back the Rocky Mountain Region in putting on a convention in Denver in 2009. The convention that the Rocky Mountain Region put on in 1999 was a great success and our club was a great contributor in that convention and it was a great time. Once again, think about it and let us know within the next couple of months. He also reminded everyone to check the date & manufacturers sticker on their helmets to make sure they are 10 years or newer. If your helmet is over 10 years old from the date of the event that you are participating in, then it is to old. Please check the events calendar for all upcoming events.

Rik Noring Jr. reported on the Fun-In-The Sun car show to be held on May 14th at the Corvette Center. The Corvette Center is in the process of moving to 18550 Midway Ranch Road off of I-25 between mile markers 119 & 122, just two miles south of PPIR. He reminded everyone that they can save \$2.00 by signing up early. He is also looking for sponsors to help with donations, so if you know of anyone who would be interested. Please let him know.

Ray Pazdzior gave an update on the Daniels car show. It will be held on August 27th at Daniels Chevrolet in Motor City. He stressed that he would like to see more of our club members at the event. Last year, there were more participants from the Social Club than our own. Since Daniels is our sponsor and donate door prizes and do so much for us, it would be nice if we supported them also at the show. You do not have to be a member to be in the car show.

Diana Dittman volunteered to set up a place where we could all meet for breakfast before heading over to the Abbey Car Show.

We would like to thank **Barb Reynolds** for volunteering to be the chairperson for the **Pagosa Springs Classic**. It will be held on September 17th & 18th in Pagosa Springs. Thank you Barb!

Mike Dittman reported on a new location for our Adopt-A-Highway trash pick-up location. The old site is under construction and is no longer available. The location that looks the most appropriate would be on mile markers 134-135 on Main Street in Widefield. They also have plenty of parking for us. He will let us know when that is set up. Thanks Mike!

Door Prizes

Thank you to **Tom Burk** for donating the golf club covers and also to **Melvin Swindale** for picking up the door prizes. A special thanks to **Daniels** for donating the rest of the door prizes.

President's Corner

Well, we had our first official Autocross for the 2005 Corvetting season and it looks like it was a success, even though we only could run one event due to the onslaught of Mother Nature. We will be doing a make-up

Autocross at the June event and those folks that paid for the Matching Times Autocross will get a discount. After the Autocross I got several emails from those that attended, and I'd like to share one with you.

Walt,

I want you to congratulate all the folks that helped put on the Autocross this weekend. They really did a good job, and special thanks goes out to Pete and Alta for troubleshooting the timing equipment. What a great job!

The biggest thanks though has to go to John Ames.

John has exceeded our expectations with the practice courses he laid out, and the final course on the 24th. It was the best Autocross course I've run, and I thank him for taking the time and effort for our enjoyment.

Unfortunately, the rain called an early halt to our enjoyment, but that course was outstanding!

Again, extend our thanks to all the crew in CSCC who helped make this a memorable experience (even though I know I can go faster on Rain Tires, than Street Tires).

Gerald Forbes

Notes like that make it all worthwhile..... Lets do it again in June!

Respectfully submitted,
Walt Jenkins
President

Corvette 'N' America Road Tours

Flagstaff, Arizona
GRAND CANYON ROAD TOUR
June 2-4, 2005

Experience a new way of enjoying your Corvette! Join us at 7,000 feet in the majestic pines of northern Arizona on Historic Route 66 - Flagstaff. Get away from the hustle and bustle and take an easy drive to our blue skies and clean mountain air where the average summertime high is 80 degrees and the low is 45.

The jewel of our show is a trio of diverse and unique road tours, one highlighted each year. The first year will be to the magnificent Grand Canyon. The following year will be down through the winding beauty of Oak Creek Canyon to the Red Rocks of Sedona. Finally, the third year will be a tour through ancient volcanic fields, Sunset Crater National Monument, the site where the Apollo astronauts trained for their walk on the moon. Then it will be onto Wupatki National Monument, where Sinagua Indians lived and raised their families over a thousand years ago. Our fourth year brings us back to the Grand Canyon to start these extraordinary road tours again. Each time you complete one of our tours, you will receive a commemorative award. Attend our show three consecutive years in any Corvette and you will be awarded the "Corvette'N America" award.

What could be greater than driving America's #1 sports car to the Grand Canyon? In 2005, join us for our first road tour to one of the Seven Natural Wonders of the World. We'll cruise through beautiful aspen and ponderosa pine forests, canyon vistas and valleys as we wind our way to the rim. We'll take off Friday morning for the Canyon taking you first to the IMAX Theater where you will experience a trip down the white waters of the Colorado River. Then the Canyon is yours to enjoy for the day. After your grand experience at the Canyon, we will go Corvette'N back to Flagstaff via an alternate route with the last five miles on historic Route 66. We will end our road tour at the Flagstaff Museum Club, a historical Route 66 night spot where you will receive your Grand Canyon award for completing our tour.

This new annual show will also include a welcome reception with complementary hors d'oeuvres and a cash bar at our host hotel, Little America. Try your luck at our Corvette'N America Poker Play where the winning hand will be awarded \$300. On Saturday morning, wake up and smell the pines. At midmorning we will gather beneath the beautiful San Francisco Peaks for our fun judging and show. We will display our Vettes on the turf and show Flagstaff residents and tourists why we love our hobby.

We will conclude our event with an unforgettable drive up the San Francisco Peaks, ending at Hart Prairie Lodge at an elevation of 9500 feet. Here we will park our Corvettes and continue our climb to 11,500 feet on Snowbowl's Scenic Skyride for a view that will take your breath away. After the skyride, it's back down to the lodge where you will enjoy an evening banquet watching the sun set over Arizona. The evening will conclude with show & shine awards, raffle prizes and the \$300 prize for the poker play and \$500 for the Corvette Club with the most attendance.

We hope you can join us for this truly unique, annual event! **Let's go Corvette'N America!!!**
