The July meeting of the CSCC was called to order at approximately 7:00 p.m. by President Sean Pazdzior.

Amendments to the June minutes: There were no amendments to the June minutes. Motion carried to approve minutes as printed.

July Birthdays: Secretary, **Karen Jenkins** announced the July birthdays. Happy Birthday to the following people: **Hal Tumbleson, Bob Jennaro, Joyce Small, Craig Wisniewski, Kathy Huffman, Mike Bowman, Bobbie Mesite, Carol Fender, Dick Strauch, Alta Olejnik, Joe Vlasek, Ashley Mess.**

We hope that each and every one of you had a wonderful birthday!

Treasurer's Report: Treasurer **Hal Tumbleson** reported that the CSCC is doing very well, especially due to the autocrosses that we have held this year.

Greetings: 2nd Vice President, **Bob Capraro**, introduced and welcomed the guests for the evening. We would like to give a warm welcome to all of our guests congratulate **Dick and Jerrie Ary** for being voted in as the newest members to the club. We hope to see you at many upcoming events so that we can all get to know you better!

Merchandise: Merchandise Chairman, **Larry Lukenbill**, brought in samples of pins, mirrors and a refrigerator magnet with our club logo. Member, **Dan Miller** makes these items and offers them to us at a good price of about \$2.00 each. Most of the club showed an interest in the pins. **Larry** also mentioned that he was in Bowling Green KY. He has information about decals you can get if you have a '97 - '99 Vette with paddle wheels. Please call Larry for any information. He reminded everyone to use the website for ordering club merchandise.

Old Business

Golden Autocross: **Ashley Mess** reported that the Golden autocross was a great success! Everyone had a wonderful time and there were over 60 cars. We had no problems with the timing

Equipment and had lot's of help from many members of the club. We would like to extend a big THANK YOU to **Pete and Alta Olejnik** as well as **Todd Butts**, who just came out to work the autocross and didn't run. You guys are the best! The club made a total of \$1650.27, after expenses, from the autocross. Part of that was the \$650.00 from **Tim Greenshields sponsor, Mont Blanc Pen Co.** which paid for the ambulance and \$250.00 from **Rex Tire**, which we used to buy lunch for everyone at the event. We would like to say THANK YOU to these businesses for helping to make this event a successful one! Ashley announced that if you didn't sign up for a trophy but would still like one, let her know and she can get one ordered for you. There were a few who went off of the track and now have new nicknames. We would like to introduce **Don "Pig Pen" Adametz**, who managed to go off the track and accumulate five pounds of dirt inside of his car, LITERALLY! And **Hal "Dr. Dirt" Tumbleson**. This is just proof that when these guys play, they play HARD! The club would like to give **Ashley and Shawn Mess** a huge THANK YOU for all of your hard work, time and effort in organizing this autocross, finding the track and making it so much fun! We really hope to do it again next year!

Vettes for Vettes Car Show: Chairman, **Pete Olejnik** gave an update on the car show. He began by thanking everyone for putting up with him for these past three months and announced that Saturday, July 8th would be the big day. The event runs from 8:00 a.m. to 3:00 p.m. but the show actually begins at 10:00 a.m. **Pete** passed around the Dash Plaques that **Dick Hunter** made for the show. **Alta** and a group of volunteers put together some "patriotic pins" to be passed out to any Vettes that show up at the car show. **Pete** was able to get a video from his son's division, in Afghanistan, as well as a video from our Mayor, Lionel Rivera, to show at the car show. Unfortunately, President Bush had to decline our invitation. The V.F.W. will provide dogs and Bratts. for sale as well as soft drinks. The Veterans will judge and choose first, second and third place winners for the show.

Elaine Naleski was nice enough to put out a press release for the car show and we would like to thank her for that. So far, there is over 30 cars signed up and we hope to get more. We would also like to thank **John Anderson**, from the **RMCSC** for making the flyers to put in the windshield to display your name and car number. Thank you **John**. You did a terrific job! **Pete** thanked the following people for volunteering to help: **Diana Dittman, Winnie Bochnak, Denise Phillips, Anne Silvers, Mike Dittman, Gary Yale, Mike Bochnak, Jerry Phillips, Bud Silvers**. He really appreciates the help and anybody who can just show up for the show. **Thank You Pete and Alta** fpr all of you r hard work and consideration in helping out the Veterans of Foreign War, who have done so much for us and our country! God really blessed you both with truly generous hearts!

Donkey Derby Days: Chairperson, **Patty Strauch**, gave a report on the Donkey Derby Days Parade held in Cripple Creek on Saturday, June 24th. She said that it was great, it didn't rain and unlike the Golden autocross, NO ONE went off the road. There were three cars and they all had a good time!

Pikes Peak or Bust Rodeo Parade: **Ray Pazdzior** announced that the parade will he held on Saturday, July 8th, the same day as the Vettes for Vettes car show. He said that he sent out an e-mail to all entrants on the time and location to meet. The parade starts at 10:00 a.m. and there are over 100 entries this year. **Ray** has arranged with **Pete** to save spots for those of us who are planning on being in both the parade and the car show afterwards.

Trash Pick-up: **Mike Dittman** reported on the trash pick-up that was held on June 3rd. He thanked everyone for showing up and also thanked **Denise Phillips and Jane Creighbaum** for suggesting the "grippers" that we purchased. They made picking up the trash a lot easier! He also thanked **Joe Horvath** for donating the leather gloves. Thanks **Mike** for planning and coordinating the trash pick-up's for us!

Progressive Food Rally: Chairperson, **Alta Olejnik** gave an update on the plans for the Progressive Food Rally, which will be

held on Saturday evening, July 22nd. We will meet at Mark Twain Middle School, located on Chelton and San Miguel at 6:00 p.m. You will receive a clue, giving you your next location. You will see someone from the CSCC who will give you your next clue on where to proceed. There will be four stops total and you can eat at every location, some of the locations or you don't have to eat at any of them. There is no entree fee, just the cost of your own food. **Alta** passed around a sign-up sheet for anyone who is interested in participating in the rally. She also asked for two volunteers to help out at the check points. If you volunteer to do this, remember that you can't participate in the rally. This is a really fun rally and if you like to eat, this is for you!

Monument 4th of July Parade: **Karen Jenkins** reported that there were 17 cars in the parade this year. The weather was great and our club won a ribbon for the "Best Large Group Motorized". We all had a good time decorating our cars and socializing while we waited for the parade to begin, with some entertainers from our own club. Afterwards, we all went to **Mike and Winnie Bochnaks** for our annual 4th of July picnic/Bar-B-Que. The weather cooperated and as always, there was MORE than enough food! We ate, socialized and heard many amusing stories, such as **Mike and Diana's** adventures while on their visit to Hawaii. Just when you think you know someone! Yes, Mike Dittman REALLY is shy! All in all, it was a very fun and relaxing time. We would like to Thank **Mike and Winnie** again for supplying their home, meat and drinks for the Bar-B-Que. You guys always do a terrific job!

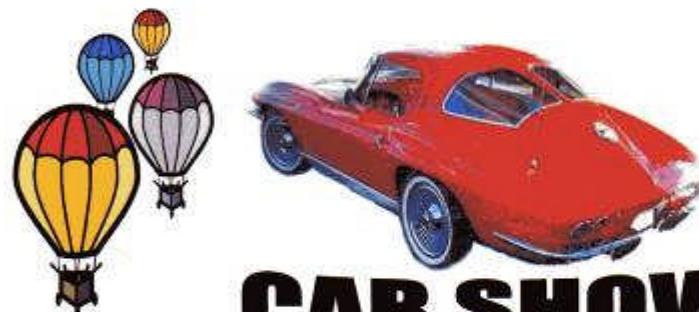

New Business

1998 Blazer LT V6 for sale. Very nice condition, one owner. Has power steering / ABS brakes / leather interior, air, CD, cassette, AM/FM / new tires / four wheel drive. \$8,500. Anne or Bud at 598-6713

Ruth Swindale is taking visitors now. Melvin say's that her spirits are improving and she's beginning to get her appetite back. She has been moved from Penrose Main Hosp. to St. Francis Rehab. Center located on Pikes Peak and Constitution, next to the Gazette building. She is in room # 530. She still has to do Kidney Dialysis on Mon. Wed. & Fri. so they ask that you please not visit on those days, as the dialysis makes her very weak and tired. Anyone can visit her on Tuesdays & Thursdays and on the weekends. Melvin says that they miss the club and the activities and will get back in the swing of things when they can. Of course, the most important thing is for her to get well and back to her old self. We love and miss you guys and you are still in our thoughts and prayers!

DON'T FORGET the Daniels Dealer Appreciation Car Show on August 26th. This is a sanctioned event and a chance for our club to show our gratitude to **Daniels** for all that they do for us all year long.

The Convention Issue of the **Blue Bars** will no longer have any regional issues in it so that they can save money. He mentioned that any NCCC member is not officially a member until the Regional Membership Director actually receives the check for the members entry, you should get your checks mailed out to her as soon as possible when you sign up for membership so you can start receiving points earned at events.

We will need a write up for any charity events that we do, such as the Daniels car show, Vettes for Vettes, etc...so that we can send it to the NCCC.

The NCCC is raffling off a 2006 Corvette. We could sell tickets for it but we have to guarantee that we would sell a certain number of tickets. We're not sure of we would like to make that commitment. If you are interested in purchasing a ticket/tickets, you can go on the NCCC website.

We can now use regular waivers for rallies as opposed to the special forms that we had to use in the past.

The Regional Competition Report is done with the rule book changes for Group I 1S and are working on Group II and III now. In Poker Rallies, both entrants can receive NCCC points for participating and in car shows, only the owner or immediate family can receive NCCC points for the show.

Currently, the CSCC is number one on the list for points for the region.

There are 614 members in the Region and the treasury currently has \$3321.71 in it.

Regional Convention in Casper WY. Will be held again this year over Labor Day weekend. They are having a Western theme on Saturday night, Sept. 2nd with a live band with buffet and a dance contest. They also will be having an autocross (Road track), a rally, a fun-kana, car show and of course, three days of eating!

We are going to try to put together a display at the National convention in Orlando this year to promote the 2009 convention here in Colorado Springs.

Regional Awards Banquet, held at the end of the year will cost

more for dinner this year. The price was \$5.00 per person last year and the region ended up spending \$5000.00 for food. They are considering making up patches and selling them to help offset the cost.

Jim Nile brought in an article announcing a General Motorsports Complex in Limon with several different types of courses that can be used for all kinds of racing events. This would definitely be worth checking out for future autocrosses, drags, etc...

Thanks **Jim** for bringing this to our attention!

Daniels Car Show: Chairperson, **Diana Dittman** gave an update on the car show. It will be **Saturday, August 26th!** She placed flyers for the show on the back table. She stated that there would be Bratts, hot dogs and soft drinks and she passed around a sign-up sheet. She has most of the volunteers that she needs and even recruited a couple more people to help with parking. **Diana** stressed how important this car show is. It is a chance to show **Daniels**, who is also our sponsor, how much we appreciate everything that they do for us all year long including paying for the printing and mailing of the newsletters & rosters and giving us our door prizes that we give away at every meeting. If there is any way that you can possibly make it, this is the event to participate in this year. All of the proceeds will go to Mission Medical Clinic, our club charity.

Pagosa Springs Car Show: Neither chairpersons, **Joe Vlasek** or **Bob Jenarro** were present at the meeting tonight. The show will be on September 16th & 17th in Pagosa Springs. **Sean** reminded everyone that the host hotel fills up fast, so please check the flyer and make your reservations A.S.A.P. It's always a real fun event with lot's of activities planned for the entire weekend. More information will be available next month or call Joe or Bob for further details.

Code of Conduct Committee: **Karen Jenkins** reported that **Dick Strauch** came up with a very short and to the point code of conduct which you will find printed in this newsletter. We will vote on it at the August meeting after the membership has had a chance to read it over and make sure that they understand it

President's Corner

Here we are in the month of August. We have had some great events this year so far with many great events coming up. Of course the month of August means one thing for us the Daniels Car Show!

For those of you who may be new to our club the Daniels Car Show is our biggest show of the year. Daniels Chevyland is the proud sponsor of the Colorado Springs Corvette Club. Without Daniels many things that make our club great would not be possible such as our newsletter, door prizes, community relations, some great events, and many other wonderful contributions. So now it is our turn to show Daniels how much we appreciate them and all they do for us. Now your wondering Sean, how can we do this? Well my fellow Corvetters that is easy on August 26, 2006 we can fill the Daniels parking lot with more Corvettes than they can handle! I know not everyone is into car shows, but if you can only make one event this year please make it the Daniels Car Show. Not only is Susan Wilmot and the rest of the Daniels team putting a lot of hard work into this show, Mike and Diana Dittman are as well. The Daniels Car Show not only shows Daniels how much we care but it also benefits our charity Mission Medical Clinic. Mission Medical Clinic will receive all the proceeds from the Daniels show. So please sign up know on our web site coloradospringscorvetteclub.org. Hope to see you all at Daniels.

Joe Vlasek and Bob Jenarro are chairing up our 6th annual Pagosa Springs Car Show this year. This is a very nice event that offers a lot of things to do besides car stuff. They will have such things as a high tea, balloon glows, dinner and dancing, wine tasting, balloon ascension, and yes even a car show. Joe and Bob have put a lot of work into this event. So please show them how much we all appreciate it and give them a great turn out. Please keep in mind that you need to make your hotel reservation A.S.A.P. We will have more on this event at the next meeting.

Thanks for stopping by,

Sean Pazdzior

before we vote on it as a club.

Have you seen this car?: President, **Sean Pazdzior**, announced that a lady from Montana had called him and she had owned a 1966 Roadster with flames and crushed velvet interior. She sold the car here in Colorado Springs and now, wants it back. Apparently, the Corvette Center has done a search and found that it has never been titled in this state. If anyone has seen this car, please contact **Sean or Rik Noring**.

Headsets: **Ashley** suggested that the club consider purchasing some headset for timing and the starter for our autocrosses. **John Maxwell**, from **D.T.R.** was nice enough to let our club use his set for the Golden autocross and they worked very well. The club agreed to have **Ashley** check around for a good deal on a set.

Todd Butts mentioned that the club buy some more brooms to sweep the courses at autocrosses. The membership agreed.

1st Vice President, **Craig Wisniewski** reminded everyone that the first 2006 came off of the line at Bowling Green KY. Last Monday. He wouldn't give the name of the owners of the car but stated that the initials are **Mike & Winnie Bochnak**. Congratulations to them on their new purchase!

Craig also stated that **Bill Ryan** has a '03, electron blue, Z06, with only 7200 miles on it for sale for less than M.S.R.P. The bad news is that he is selling it to make room for a new Porsche! Congratulations on your new purchase anyway **Bill**!

Vettes on the Rockies will be held July 27th-30th. **Walt & Karen** will be going up to V.O.T.R. On Thursday, July 27th and will look around for places that people in the club can meet.

Sean & Ray will also be going up that day and **Mike & Diana Dittman** will be going up on Sunday. If anyone is interested in caravanning up on those days, please contact any of those people. **Diana Dittman** recognized **Pete & Alta Olejnik** for going down to New Orleans and helping "gut" houses for some of the victims of Hurricane Katrina. Pete mentioned that it was an unbelievable mess down there. Thank you guys for your heartwarming generosity!

Mike Bochnak reminded everyone about the Black Hills Classic (Spearfish Meet) which begins next Wednesday, July 12th, in Sioux Falls and ends Sunday. This is their 35th anniversary and there will be four couples from our club going. There should be close to 1000 Corvettes there this year.

Update on Ruth Swindale: Walt & I ran into Melvin at the hospital last week, July 2nd and he told us that Ruth was not improving anymore at that time. She was still on Kidney Dialysis and feeling pretty poorly. They ask that no one come to visit Ruth at the hospital but that everyone keep them in their thoughts and prayers. I know that this is really hard for us because Ruth has always been somewhat of a "Den Mother" for our club and is always there for everyone else, but the best way to re-pay her for now, is to respect her wishes. Keep your chin up **Ruth** and know that the entire club is praying for your recovery, We miss you dearly and can't wait to see your smiling face again! Especially the guys who always give you such a hard time about Jeff Gordon!

Door Prizes

The door prizes are being held this month for the Daniels Car Show. We would like to thank **Daniels Chevrolet** for donating them

Good News/Bad News Suitcase

The Good News/Bad News Suitcase will be brought back next month by Bobbie Mesite to be auctioned off by the highest bidder.

We would like to thank **Giuseppe's Depot** for donating a \$20.00 gift certificate to the club. 1st Vice, **Craig Wisniewski**, raffled it off for \$1.00 per ticket. We would like to congratulate Treasurer **Hal Tumbleson** for having the winning number! What a nice birthday present to himself!

Article II, Section

5.0 Code of Conduct

- 5.1 Personal issues between two or more club members should be worked out between those members, like adults, and not be aired before the club.
- 5.2 If there is a problem that does involve the club then that problem should be brought to the attention of a Board Member. The Board Member should then bring it before the Board to be reviewed and handled as per our by-laws. The parties should be informed as to how that will be.
- 5.3 Misuse of CSCC website and website email will not be tolerated. See the Standing Rules and General Policies for guidelines on website use.

The present Article II; Section 5.0 Probation will become Section 6.0, Section 6.0 Expulsion will become Section 7.0, Section 7.0 Resignation will become Section 8.0

We need to get rules of use for the club web site in the Standing Rules and General Policies. I talked to Walt and he said that he would get me some guidelines and we'll try to fix that part of the problem.

Please let everyone on the committee know what you think about this proposal, not just me. I think we can do this over email, but if you all feel that we need another meeting then so be it. When we come to an agreement on what to bring to the club we'll need to get it published in the newsletter and then discuss it at that meeting. If there are changes to it we need to re-publish it and do a final vote at that meeting. Thanks, Dick

VETTES FOR VETS

On July 8th we participated in the Vettes for Vets car show at the VFW Post 4051, which is located downtown Colorado Springs. The best way to describe this event is Rain, Rain, and Rain. Although it rained through the entire event we had thirty two individuals that showed their cars and thirty seven individuals that registered and paid. There is no way that I can express my appreciation to all those who participated. We had all the checks made payable to the VFW to save our treasurer the paper work. The total amount given to the Post was one thousand fifty seven dollars. This amount included a very generous offering by one of our members of two hundred and fifty dollars. All expenses for this event were paid by donations from the members of the Colorado Springs Corvette Club. There are sooooooooo many people that should be thanked and recognized that I'm sure that I would forget someone and because of that I won't mention anyone by name. They know who they are. Thank you. Most of those that gave money for the expenses wanted to remain anonymous. So we will respect their wishes. I know who they are and I cannot thank them enough. Thank You. First place went to a 1998 Corvette owned by the Oakley's, second place went to a 1963 Corvette owned by Anne Silvers and third place went to a 2004 Corvette owned by John Anderson. We ended the event early as thunder storms were expected. Thanks again, respectfully submitted by Pete Olejnik.
