We would like to congratulate **Guy Bentley** as our newest member of the **CSCC**. Welcome and we hope to see you at many events in the future!

**Down the Road Corvettes Autocross at the Golden CSP track**

**Florece's trophy for running off the track**

The June meeting of the CSCC was called to order at approximately 7:05 p.m. by President **Sean Pazdzior**.

**Motion to approve the May minutes:** Motion approved to accept minutes as written in the newsletter.

**June Birthdays:** The following people celebrated birthdays in the month of June: **Linda Adametz, Mike Dittman, Tara Rising, Karen Lockwood, Dave Beem, Candy Paine, Cindy Tumbleson**, We hope that you all had a very wonderful and happy birthday! We also had a couple of very special anniversaries this month. Please join us in congratulating **Denise & Jerry Phillips** as well as **Pete & Alta Olejnik** for celebrating 25 years of happiness together. Please let me know if you have a big or special anniversary or other event coming up so that we may offer our congratulations.

**Treasurer's Report:** Treasurer, Hal Tumbleson, announced that the treasury was in good shape. He had a few checks to write but we are doing well. There are always copies of the treasurer's report on the back table at every meeting.

**Greetings:** **Bob Capraro**, who was sitting in for Second Vice President, **Lary Lukenbill** introduced and welcomed all of the guests this month. We would like to congratulate and welcome our newest member **Guy Bently**. He seems like a really great guy who loves to get involved in club activities. We also extend a very warm welcome to our other guests and hope to see them back.

**Merchandise:** Chairperson, **Ashley Mess** reminded everyone that you can order club merchandise in lots of different colors. She has found someone who will make "cling" logos for our cars so that we can display our club logo at parades and other events. Hopefully, she will be able to bring some to the next club meeting and take orders. She says that she is working on getting a discounted price for larger quantities ordered. Please check with **Ashley** for any merchandise that you may have ordered or would like to order.

**Web Site:** Governor, **Walt Jenkins**, announced that we had 23,896 hits for the month of May. He announced that he had updated the website with all of the pictures that he had for the entire year of 2007 including car shows, autocrosses, Fun-in-the-Sun, race results, although the very latest Summer Solstice autocross results hadn't been posted at that time. **Walt** also asked if anyone would be interested in having their Corvette on the website as the new Corvette of the month.

### Old Business

**Fun-in-the-Sun Car Show:** Chairman, **Rik Noring Jr.** gave a report on the car show which was held on May 12th. There were several people from our club who won trophies. We had anywhere from 55 to 80 cars present at one point. We ended up making around \$930.00. The day was beautiful, not to mention all of the different classes of Corvettes. **Walt** found out that **Dick Strauch** and **Joe Horvath** are really perfectionists when it comes to judging cars. They hit him with wear and tears, lint and dust, cat hairs, dirt, grime and everything else you could think of. Fortunately for **Walt** (after getting over his shock) he realized it was a birthday prank. We would like to thank **Ron Garcia's** company, **Millennium Auto Body** as well as **Dennis Van Horn's** company, **Rocky Mountain Rotomilling** for donations towards the car show trophies. It means so much to our club to help our events be successful!

**Chris Nordby** reported on the Funkhana at the car show. There were a total of 19 teams. Everyone had a great time. The trophies for the Funkhana were donated by **Wreckmasters**. Congratulations to **Hal Tumbleson** and his daughter **Heather Nordby** for getting the fastest time for the man/woman division. Also a big congratulations go to **Sean Pazdzior** and **Chris Nordby** for winning the man/man/ division as well as the fastest time of the day!!! **Florece and Rik Noring won the woman/man.** **Chris** thanked all of the people who helped with the Funkhana. **Don Adametz, Hal & Cindy Tumbleson, Patty**

**Strauch, Melvin Swindale, Sean Pazdzior, Ray Pazdzior and Walt Jenkins.** Special thanks to other people who helped in many different ways with the car show were **Walt Jenkins, Karen Jenkins, Sheryl Schubert, Ashley Mess, Sean Pazdzior** and especially all of our judges who moved things along VERY smoothly! The **CSCC** would like to give a huge THANK YOU to **Rik Jr. and Florece Noring** for offering the Corvette Center, all of their hard work and organization for chairing this event which is bound to keep getting bigger every year. We would also like to extend our deepest gratitude to **Ric and Sandie Noring!** Most of us don't realize this, but **Ric & Sandie** have been putting on the Fin in the Sun Car Show for many years. They still handle all of the "behind the scenes" work before, during and after the show, not to mention a lot of the planning, cooking, serving and extreme generosity. They not only offer the Corvette Center for our use but pay for and prepare our lunches. **Ric & Sandie** are definitely the biggest asset and contributors to make this event so fun, eventful and successful. *Thank you both for your generosity!* **Summer Solstice Autocross;** Chairman, **Hal Tumbleson** announced that the autocross was held May 27th at the Golden State Patrol track.. We had 42 participants. The track was pretty messy on the morning of the race due to the State Patrol doing night maneuvers. **Larry Schubert** actually tried to join them but needless to say, he was escorted out with lights flashing and sirens blaring. **Hal** rented a blower to clean the track off and it worked very well. We unexpectedly got a nice tour of Golden because we were looking for the Outback Steakhouse on Saturday night. There were a few non-serious mishaps. **Chris Nordby** did a couple of 360's on the dirt but kept right on going, **Sean Pazdzior** went partly off of the road (backwards) a couple of times and actually got one pretty unmentionable payback (not on purpose, I'm sure) from it. **Rik Noring Jr.** literally SUCKED on one run, although his run was nice and clean. After the autocross, we all went to On the Border Restaurant for dinner and everyone made it home tired but safely. After expenses, we made a grand total of \$1,190.00 from that autocross. **Hal** thanked the following people for all

who gave their time to help out with this autocross.

Thanks to **Ashley Mess, Sheryl & Larry Schubert, John Gue, Rik & Florece Noring, Karen & Walt Jenkins, Sean Pazdzior, Don Adametz, Jim & Vickie Fockler, Chris & Heather Nordby, Rob Miskowitch, Cindy Tumbleson** and special thanks to **Carol and Ralph Johnson**, who are from TORCA and helped out from beginning to end. Volunteers help make an event easier and run more smoothly but it takes a great chairperson to make an event such a great success, so THANK YOU for all of your hard work and dedication **Hal!!!**

**Club Photos:** Chairwoman, **Diana Dittman** brought an 11 x 14 Picture of the club photo to the club meeting. The picture turned out great, it was a beautiful day and we had 28 cars. **Diana** thanked **Theresa Wildman** for taking the picture. **Nick Renfro** has pictures that you can purchase for \$20.00 for an 8x10. She also thanked Bill Porch from **Porch Electric** who donated the lift truck so that we could get the high shot with the fantastic background and thanked everyone who showed up.

**Pagosa Springs Car Show:** Our new 1st Vice President, **Mike Dittman** explained the annual Pagosa Springs Car Show and how enjoyable it is. He asked if anyone would be interested in chairing the event. A couple of our newest members, **Dick & Jerrie Ary** took on the challenge. We would like to thank them so much for volunteering for this event because we were down to the wire and needed someone very quickly. It will be great to have new and fresh ideas but as many of us need to step up to the plate and give them all of the help and support that they need. Even if you are not planning on attending this year. They have never chaired an event so I'm sure that they could use a lot of input from other members.

**Trash Pick Up:** **Mike Dittman** passed around a sign-up sheet for the trash pick-up. For any new members, our club has adopted a section of highway to do trash pick-up on Hwy 85 between mile markers 134—135. We do find some very interesting things and some members have even been lucky enough to find

**New Club Trailer:** Dick Strauch announced that the club will be getting a new trailer for hauling our autocross, car show and other equipment in. We have outgrown our old one. The new one will be 22ft. enclosed trailer with a four foot hitch. It's eight feet in width with a DOT package for Colorado, 12 volt inside lights, diamond plate chip protection around the wheels, four ft. concession door and many more extras. There would still be more to add so the price would be around \$7,400.00. Sean is also looking into a 26 foot trailer which he will have prices and details on later. Motion approved to spend up to \$8,000.00 on new club trailer.

### New Business

**NCCC News and Updates:** Governor, **Walt Jenkins** announced that he went to the Governors meeting in Grand Junction. He mentioned that **Hal** was 1st in points but after adding some more points, he has dropped to 6th. Top of the Rockies is leading the region in points with CSCC in second and DTR is third. For men, our club has **Hal Tumbleson, Walt Jenkins and Chris Nordby** in the top ten spots and for women, **Karen Jenkins, Heather Nordby, Florece Noring** are in the top 10 with **Sheryl Schubert** in 16th place and **Vickie Fockler** is in 17th place. TORCA has signed up eleven members in the last month, so if they haven't passed us yet, they soon might in having the largest club in the region. All of their members are NCCC members where a lot of ours aren't. The cost is only \$10.00 a year and you can sign up anytime you want. **Walt** also mentioned that Larry Morison had noticed several cracks on all four of his rotors at the Fun in the Sun Car Show and the car only has 15,000 miles on it. **Walt** also noticed that he had a cracked rotor at the Fruita autocross, so he asked that people keep an eye on theirs.

**President, Sean Pazdzior** mentioned that at the last autocross

at the World Arena, he had “grazed” over the top of a piece of the timing equipment with a cone but he told the story of the auto-cross that DTR put on at the State Patrol track where **Walt** decided to go 4-wheeling and actually ran over a timing sensor which, so far is the most expensive trophy that Walt now owns for auto-crossing at \$171.50.

**2009 Convention Update: Walt & Karen** will be leaving Friday, June 15th, bright and early for the ‘07 convention. We will have a table, a T.V. and a D.V.D. and Walt will be giving a presentation to the Executive Board along with goody bags. They give the final presentation to the Governors in September and then vote on it. We will know the decision at the November NCCC meeting.

**4th of July Parade:** Chairman, **Pete Olejnik** passed around a sign up sheet for anyone interested in participating. Judging starts at 8:15 a.m. but please be there around 8:00 or earlier to make sure that we have our cars decorated. The actual parade begins at 10:00 a.m. The line up for the parade will be off of the Old Denver Highway. Take I-25, turn west on Baptist Road and take the first right. Pete doesn’t have our line up number yet but will let the participants know when he gets it. Otherwise, just look for all of the Corvettes. The theme this year is “One Nation Under God” and **Pete** encouraged people to rev your engines but not to “peel out” for the safety of the spectators.

**4th of July BBQ: Mike & Winnie Bochnak** passed around a sign up sheet if you are planning on attending after the parade and also include what type of dish you are planning on bringing. Walt will be putting it up on the website in case you didn’t attend the meeting.

**Pikes Peak or Bust Rodeo:** Chairman, **Ray Pazdzior** announced that the Rodeo will be held on Saturday, July 7th. He sent out a sign up sheet. They only allow 10 cars for the event, so if you are interested and there is room left, please contact **Ray**. Just as the 4th of July parade, they encourage you to rev your engines but no peel outs please. The parade starts at 10:00 a.m. and **Ray** is looking into a place for lunch afterwards and will get in

Well the month of July will be a busy one for CSCC. We have a couple of parades coming up this months along with some social events. Some good news we now have chair people for all of our CSCC events. Thank you to everyone who has stepped up to chair an event this year.

First up this month we have the annual 4<sup>th</sup> of July parade in Monument. This is a great event with a very large crowd. Pete is chairing this event for us this year. He asking that everyone please be lined up 8:00 am, as judging will proceed right around that time. We will be lining up on the Old Denver Highway. Pete also reminded us since the crowd will be so large to please not spin your tires. Rev your engine all you want but keep your tires quiet for the safety of you and the crowd. If you have any other questions please contact Pete.

After the parade we will be making our way over to Mike & Winnie’s for our annual 4<sup>th</sup> of July BBQ. For those of you who may not know Mike & Winnie graciously open their home to us for a BBQ. It is a Pot Luck so remember to bring your signature dish. Even if you do not participate in the parade you are still welcome to join us. If you did not sign up at the last meeting or have some questions please call Winnie.

On July 7<sup>th</sup>, CSCC will be participating in the Pikes Peak or Bust Rodeo Parade. This is the biggest parade in Colorado Springs, with huge crowds and a great atmosphere. Ray is chairing this years event for us. The parade starts at 10:00 am and will probably last about 1 hour. If you have signed up Ray will contact you with what time to meet and where. After the parade we will be going out to eat of course. Ray will post the location of restaurant on the email. So please feel free to come and cheer us on and join us for lunch. If you did not sign up and are interested please contact Ray.

Well it is that time of year when you will here me and many others start to talk about the Daniels Car Show. On August 25<sup>th</sup> Daniels will be hosting us at Daniels Chevylnd for our annual Dealers appreciation show. This is our time to come out and show Daniels just how much we appreciate them and all they do. Daniels is our club sponsor and does a lot for us. So if you can only make one show this year please make it Daniels. Larry is chairing this show and will have more information at our next meeting.

Thanks for Pulling In,  
Sean Pazdzior  
President, CSCC

**Fire Extinguishers:** **Hal Tumbleson** said that we have some 15lb. fire extinguishers in the trailer that we have to have (in the event someone runs over equipment and starts a fire) and other emergencies. **Dick Strauch** said that he received a phone call from a lady who has a 1986 convertible with 81,000 original miles on it and would like to sell it for at least \$6,000. If you know anyone interested, please give **Dick** a call.

**Bandimere Club Clashes:** **Walt** sent out an e-mail on this event. If you are interested in finding more about it, please call him.

**Hal** said that he got an e-mail from Casper and said that they are limiting cars to the first 100. Tickets for Vince Gill and Amy

Grant will be on sale for one night if you would like to go to that, otherwise, it will be an open night to do what you want. It's three days of fun and food and this year, they are also having a high speed autocross to go along with their low speed autocross. Remember, you must have a high speed license to race in the high speed autocross. The cost is \$135.00 per couple for the whole weekend and the rooms are around \$55.00 to \$65.00 per night. If you haven't been to this event, it is really a blast!!!

## FYI SECTION

**Pagosa Springs Car Show:** We now have some volunteers to chair the Pagosa Springs Car Show. We would like to thank **Dick & Jerrie Ary** for stepping up and taking on this event. Remember, that we are all here to help you in any way we can!

We would like to send our deepest condolences to **Anne and Bud Silvers** in the death of Anne's sister who lost her battle with cancer. There was no service so the club sent a donation to the **Rocky Mountain Cancer Center Foundation**. In the past month and a half, the Silvers have lost five members of their family so we hope that God will shed comfort and grace on them in this time of sorrow.

We would like to welcome **Mike Dittman** as our new 1st Vice President! Unfortunately, former 1st. Vice President, **Shawn Mess** had to resign. They had to sell their Corvette due to family obligations but are still Associate Members and plan on keeping involved in many of our events.

If you are interested in ordering an 8 X 10 club photo, please see or call **Nick Renfro**.

We would all like to give very big THANK YOU to **Bill Porch** of **Porch Electric** for donating the lift to the club for the club photo. Without his donation of the lift, we would have had to rent one in order to get such a great shot of the cars and background!
